Your Astro-Forecast begins on the next page. If the time period for an interpretation is, for example, given as "July 1, 2003 (June 15, 2003 to July 15, 2003)", then it starts in mid-June, reaches greatest intensity around July 1, and ends in mid-July. The first date listed is the time when the influence has reached maximum strength; we can call this date the "peak date". The influence starts on the beginning date, gradually increases in strength until the peak date is reached, and then it gradually fades out until the ending date is reached.

An influence may last for as little as a week to as long as half a year or so. It is a good idea to look ahead in your Astro-Forecast Report for long-lasting influences, as you otherwise may not realize that it is in effect until you are already several months into the time period of the influence. Some people underline the dates of long-lasting influences with a colored pen to draw attention to them.

You may also notice that the same interpretation shows up periodically during the year; this is not unusual. In some cases the beginning and ending dates of the 2 influences are the same; the only difference between the 2 interpretations is the peak date. This means that this particular influence has two peak dates instead of one. It is even possible for there to be three or more peak dates for the same astrological influence. To eliminate redundant interpretations, you may be informed that the astrological influence also occurred earlier and that you should refer back to the previous occurrence of this interpretation.

You may be wondering what the funny abbreviations after the dates are. For example, you may see "Sat Conj Plu", "Ura Trine Nep", etc. These abbreviations are given for the benefit of astrologers and they show the astrological factor that is in effect.

We hope you enjoy your Astro-Forecast. For the benefit of astrologers, some technical details are given below.

Nov 1, 2008 4 AM (Oct 31, 2008 to Nov 2, 2008) Merc Sxtil Sun

Clear thinking and an easy flow of communication make this a good day to present your ideas in writing or in person to take an exam, to learn something new, to initiate discussions or conduct a meeting. The pace of life is quickened and everyday business flows smoothly, especially casual interactions.

Nov 1, 2008 (Oct 31, 2008 to Nov 29, 2008) Ven 1st H.

Your sensitivity to beauty, aesthetics, and sensual experience strongly influences you during this cycle. You want to be in a gracious environment, to beautify your surroundings, to enjoy and take pleasure in life, to love and be loved. Rather than actively, directly pursuing what you want, you're more inclined to attract it through your personal charm, friendliness, or endearing qualities. Self-appreciation, personal style, and looking your best is important to you now, and you may want to indulge in some self-pampering to enhance your appearance and feel good about yourself.

Nov 1, 2008 8 AM (Oct 31, 2008 to Nov 2, 2008) Ven Conj Asc

The art of self-adornment and the art of love predominate today. You're inclined to use sweetness, charm, sex appeal, or flirtatiousness to ease interactions. You're also quite conscious of your body and appearance now and you may buy some new apparel, get your hair done, wear your best jewelry, or otherwise enhance your looks or surroundings. It feels good to lavish loving attention on yourself, and your relations with others benefit as a result. Someone beautiful could enter your life.

Nov 1, 2008 10 PM (Oct 31, 2008 to Nov 2, 2008) Sun Qucnx Mars

A battle of wills or simply the stress of an overly pushy, ambitious, hurried approach can make this an unpleasant time, even if you "win" or achieve what you wanted to. Strong ego drives are activated now, and it would be best to moderate yourself if you don't want to arouse antagonism. Aim for your personal best rather than competing with others. Vigorous sports can be a good expression for strong energies that need to come out, but beware of over-exerting yourself.

Nov 2, 2008 4 AM (Nov 2, 2008 to Nov 3, 2008) Sun Sxtil Ven

Pleasantness and a personal touch ease all situations you find yourself in. You're in a lighthearted mood and prefer being around people you enjoy and can relax with, and unless your work pleases you, you probably won't want to do it. The sweet and frivolous side of life, or doing something just for pleasure, is emphasized now.

Nov 3, 2008 4 PM (Nov 2, 2008 to Nov 4, 2008) Sun Sqr Merc

You are apt to be busy, moving around a lot, and interacting with people on the go. You have quite a bit of mental energy and may be restless if you have to be stationary for too long. Lots of ideas are being batted back and forth. Conflicting views and opinions serve to clarify your own thinking. Seek compromises on inconsequential matters.

Nov 4, 2008 5 AM (Nov 4, 2008 to Nov 5, 2008) Sun Sxtil Sat

You have good stamina, concentration, and a focus on taking care of earthly realities, practical necessities, and chores. Inner satisfaction comes from accomplishing your tasks and meeting responsibilities. You may not be especially gregarious or jovial now unless other astrological factors are strong, but you can definitely have a solid sense of achievement at the end of the day.

Nov 4, 2008 6 AM (Nov 4, 2008 to Nov 5, 2008) Mars Sqr Ura

Mishaps or disruptions due to recklessness, tactlessness, sudden outbursts of anger or impatience, and heated encounters are potential trouble spots at the

moment. Slow down in traffic, and take precautions around fire, electronics, and sharp tools. Perhaps you can do something daring and outrageous that isn't dangerous!

Nov 5, 2008 8 AM (Nov 4, 2008 to Nov 6, 2008) Ven Trine Ura

This is an excellent time to meet new people, to try on a more daring, updated, or unconventional style, and to break out of your usual social circle. Improvise, be spontaneous, and don't be afraid to show your eccentricities or unusual taste. You can wake up and reinvigorate a love relationship that's become too predictable or stale. Loosen up and remember what it's like to play!

Nov 5, 2008 (Nov 4, 2008 to Nov 20, 2008) Merc 11th H.

World events, cultural and community affairs, or group discussions and plans are a focus for you now. You may teach, facilitate a group, or help organize and get the word out about your community activities. Intellectual interests, connections based on common ideas, or problem-solving in the context of a committee or group is featured.

Nov 7, 2008 3 AM (Nov 6, 2008 to Nov 8, 2008) Ven Conj Jup

Happy, expansive feelings and a generous desire to share and spread the joy color your day. This is the ideal occasion for a festive, lavish affair, a gala, or just a great time with friends - the more the merrier.

You're apt to be extravagant with gifts, for yourself as well as others, and this is an auspicious time to invest in art, fine jewelry, or other high quality valuables. In fact, going to excess is your only problem now. If you're watching your weight or your budget, you'll be quite tempted to let those limits go for the moment. This isn't the day to deprive yourself, but try to consider the consequences!

Nov 7, 2008 5 PM (Nov 7, 2008 to Nov 8, 2008) Merc Sxtil Plu

You are interested in complexity, depth, the mysterious, the hidden, or the primitive, whether you are looking for the secrets of lost civilizations or probing a

thorny psychological problem. What you read, watch, think about or discuss is apt to contain these elements. You can also be quite a convincing speaker but beware of overstating your case. Your words are potent now.

Nov 7, 2008 9 PM (Nov 7, 2008 to Nov 8, 2008) Merc Trine Moon

Conversations with women, with family, and with people you are especially close to or have a long history with are going well now. By listening as well as sharing your own experiences and feelings, you deepen your rapport and connection. Telling stories, reminiscing, and discussing what is in your soul can be very rewarding. You are likely not only to hear, but to understand. Personal letter writing or journaling would also be fruitful activities.

Nov 8, 2008 3 AM (Nov 8, 2008 to Nov 9, 2008) Ven Trine Sun

Being with people and enjoying good times (especially with beautiful, charming, lighthearted people) is really what you want now. You're in a friendly and cooperative mood which brings ease to your interactions and an overall sense of harmony to your day. Because you are open to love and friendly gestures, you will attract loving people into your experience.

Nov 8, 2008 10 AM (Nov 8, 2008 to Nov 9, 2008) Merc Conj Nep

You may notice that your mind is a bit fuzzy at the moment, or that you just can't concentrate on practical matters and immediate tasks. Perhaps you need a mental vacation, like reading a book that captures your imagination, going to see a movie, as simply relaxing your mental focus and enjoying the magic of the birds singing outside your window. Minor miscommunications or misunderstandings can arise now. Certainly it is not the best day to negotiate a business transaction or any other activity that requires sharp, decisive discrimination. You might miss important pieces, so save such activities for another day.

Nov 8, 2008 11 PM (Nov 7, 2008 to Nov 10, 2008) Mars Sqr Sun

You're apt to be impatient and to use more force than is called for when minor differences arise. You may instigate, aggravate, or stir up trouble either without

realizing it (by being too loud, overstepping others' boundaries, or making assumptions), or even on purpose. You could use this abundance of energy for accomplishment, if you so choose. Tone down aggressive tendencies by wearing soft shades of blue, lavender, or pink, and avoid red or orange.

Nov 9, 2008 (Nov 8, 2008 to Dec 9, 2008) Mars 12th H.

You may be needing more downtime, recuperation or recovery from a period of intense activity and outward focus. Working alone on some private passion could be just the medicine you need. Or, you may not be motivated, and feel like doing nothing. This is, indeed, a resting time, good for incubating dreams and projects but not the best moment to launch them.

Nov 10, 2008 3 PM (Nov 10, 2008 to Nov 11, 2008) Merc Qucnx Mars

You may be challenged to defend your ideas, plans, or methods at this time. Thinking on your feet and rapid responses will be necessary, and a few hot words may be exchanged. Certainly you can elect to keep a cool head and avoid unnecessary verbal confrontation, but it will take some effort now. Wear soothing, cool colors like blue or lavender, and avoid red!

Nov 10, 2008 6 PM (Nov 10, 2008 to Nov 11, 2008) Merc Sxtil Ven

Communicating affection and appreciation come easily to you today. You speak personably and pleasantly now, making even casual interactions sweet. By overlooking superficial differences and focusing on harmonizing and understanding, you build bridges between yourself and others or between two parties who have been at odds. This is also a wonderful time to send flowers, write a love letter, or to discuss matters of aesthetics and personal style. Heavy topics will wait for another day.

Nov 11, 2008 4 PM (Nov 11, 2008 to Nov 12, 2008) Merc Sqr Merc

Intellectual bantering or a difference of opinion may create some friction now, but you can gain objectivity and another way of seeing something. You may be restless,

curious, and in need of intellectual stimulation, or feel a bit overstimulated and nervous. You don't need caffeine! Slow down a little, especially in traffic.

Nov 12, 2008 1 AM (Nov 12, 2008 to Nov 13, 2008) Merc Sxtil Sat

This is a good day for quiet thinking and work that entails intellectual or technical skill, craftsmanship, or careful attention to detail. Wrangling with practical problems and logistics, finding intelligent solutions and completing tasks and projects are favored. You meet deadlines on time and enjoy taking care of business. A library or quiet room where you can be alone and just do your work appeals to you now. This is also a fine time to take an examination, either written or oral.

Nov 13, 2008 8 AM (Nov 12, 2008 to Nov 14, 2008) Sun Sqr Ura

Minor shake-ups, mishaps, or aberrations from your normal routine require you to be on your toes, or you could feel restless and create a stir yourself. You're less compliant, obedient, and patient with arbitrary rules. If you can, break your usual patterns in small ways, like dressing less formally or showing some eccentricity.

Nov 14, 2008 8 AM (Nov 14, 2008 to Nov 15, 2008) Ven Sqr MC

You enjoy playing the role of hostess or host, displaying your good taste, affection, and appreciation for the finer things. Lightness, humor, and good times shared is the focus for you now. Go to the extra trouble to decorate, embellish, bring out your best china, and show people a good time. Opportunities to come together for a celebration, while not entirely trouble free, will be beneficial overall.

Nov 16, 2008 3 PM (Nov 16, 2008 to Nov 17, 2008) Sun Sqr Sun

Honoring others' personal style, desires, and objectives while not turning away from your own is a challenge at this time. Significant encounters, while not entirely harmonious, are likely. You can learn from the personal differences and contrasts presented now, and become clearer regarding your own path.

Nov 16, 2008 10 PM (Nov 16, 2008 to Nov 17, 2008) Ven Trine Plu

Powerful romantic and creative energies are flowing now. A friendship intensifies through deep sharing, or an erotic interlude evolves from a strongly emotional connection. On another level, you may feel compelled to redesign or remake your wardrobe, surroundings, or a creative project you're in the midst of, to make it more pleasing, rich, and beautiful.

Nov 17, 2008 2 AM (Nov 16, 2008 to Nov 18, 2008) Ven Oppos Moon

You need pampering and tender loving care right now, not because you aren't well but because you simply crave it. Indulging yourself with treats, sweets, shopping, or whatever gives you comfort may be hard to resist. This is a good time to schedule a massage, hairstyling appointment, or a play date with your kids or a very good friend. However, try to avoid being too needy or demanding with them.

Nov 17, 2008 (Nov 16, 2008 to Dec 8, 2008) Sun 12th H.

You're in the background now, quite possibly by choice. You may need extra downtime, or be a little fuzzy and diffused. This is a period of rest, and physical and emotional replenishment, not the best moment to press forward.

Nov 17, 2008 5 PM (Nov 17, 2008 to Nov 18, 2008) Merc Sqr Ura

Making or hearing comments that provoke controversy, feeling unusually impatient with others' slowness, impulsive movements or a sudden change of direction can challenge you today. Beware of acting out of nervous haste or tactlessly blurting something out that you can't take back. Instead, consciously slow yourself down, breathe deep into your middle, and relax the tension in your head or jaws - then proceed.

Nov 17, 2008 8 PM (Nov 17, 2008 to Nov 18, 2008) Ven Sxtil Nep

Sympathy for the underdog or a friend in need moves you now. You may be asked to help out someone in confusion or distress, or to show unselfishness to your love partner. Going the extra mile for someone else will make you both happy, and your

spiritual support may be more important than the practical assistance you can provide.

Nov 19, 2008 10 AM (Nov 18, 2008 to Nov 20, 2008) Mars Sxtil MC

You take a proactive, assertive, and eager attitude toward challenges and your ambitions. You could impress superiors with your vigor, as you are willing to go the extra mile and do whatever it takes. Opportunities to advance your standing or achieve a desire come to you now. Green light!

Nov 19, 2008 (Nov 13, 2008 to Jan 4, 2010) Jup 2nd H.

This can be a prosperous period for you, especially as the seeds of good will and the new ventures you may have initiated within the last year or so begin to bear fruit. The focus is on expanding your material security as well as enjoying your money and material well-being.

Investments may be highly profitable as long as you don't throw all caution to the wind. Combine faith and intuition about financial trends with a measure of prudence, and expect positive rewards.

If money has been difficult for you, this can be the time to turn that around. Learn as much as possible about successful principles of building financial well-being, and focus on creating a better future for yourself. Integrity and a positive attitude are important keys for you now.

Nov 19, 2008 7 PM (Nov 19, 2008 to Nov 20, 2008) Merc Sqr Sun

Opening up lines of communication, actively initiating discussions, and conducting business over the telephone, by email, or through the written word is the theme of the day. You are clear and factual, and probably more chatty than usual. You may be inundated with phone calls or be running around a lot as well. It may be hard for you to sit still. A busy day!

Nov 20, 2008 (Nov 19, 2008 to Dec 3, 2008) Merc 12th H.

This is a period to observe, reflect, and consider the whole picture, or facets of things that you normally minimize or ignore. You may be getting messages from your intuition via dreams, feelings, or strange sensations that you would be wise to attend to. You also want to mull over and digest the information that comes to you now and are thus disinclined to come up with a ready answer or quick repartee. Your silence or reticence could be misinterpreted, so make it clear that you are thinking things through.

Nov 20, 2008 8 PM (Nov 20, 2008 to Nov 21, 2008) Ven Qucnx Mars

Sexual tension or disagreements with people of the opposite gender arise now. You may want more than the other person is able or willing to give, or one of you may want togetherness and collaboration while the other prefers to be more independent.

Compromises, adjustments, and working with the differences can bring about a satisfying balance, but it can be difficult to acquiesce when desires are so compelling. In any case, encounters with a definite erotic tone are part of the picture. Wear soft shades of pink, rose, or light green to ease dissonant tendencies.

Nov 21, 2008 1 AM (Nov 20, 2008 to Nov 22, 2008) Ven Trine Ven

Cooperation, affection, and sweet feelings color this moment. All friendships and intimate or personal interactions are highly favored. Certainly you won't want to be alone today, nor need you be. Any overtures you make will be gladly received. Love is flowing! You may feel a bit lazy and pleasantly indulgent as well.

Nov 22, 2008 7 AM (Nov 22, 2008 to Nov 23, 2008) Ven Qucnx Merc

It's time for a love talk! Any disagreements or problems you encounter can be more easily worked through now, and you're able to articulate your feelings and wishes in a way others can hear. You seek closeness through verbal exchange, a meeting of heart and mind. Style is important to you now as well, and this is a fine time to consult a beauty expert, get a haircut, choose clothing or make other aesthetic decisions.

Nov 22, 2008 7 PM (Nov 22, 2008 to Nov 23, 2008) Ven Conj Sat

You are attracted to people with maturity, worldly wisdom, and a solid sense of values (perhaps an advisor, elder, or teacher), and are disinclined to frivolous activities or wasting your time. In fact you may be pleased and happy to be alone or perhaps with just one other person that you know well. On the other hand, you may feel quite cool or withdrawn in a crowd. You are also restrained and careful about spending money at this point, and that's as it should be. It is a good time to reflect, set priorities, enjoy simple pleasures, and appreciate quality time with yourself or with your chosen companion.

Nov 23, 2008 4 PM (Nov 22, 2008 to Nov 25, 2008) Mars Sqr Plu

A hidden or mostly unconscious need to control or gain power is at play within and around you now. If you violate others' rights or territory in pursuit of your own agenda, a battle of wills (subtle or overt) is likely. There is a destructive element operating as well, which can be turned to good ends in that you can work to "destroy" or eliminate something, or completely purge or overhaul something in your life. You tend to drive yourself quite hard, so beware of over-straining or forcing yourself past your limits.

Nov 23, 2008 11 PM (Nov 22, 2008 to Nov 25, 2008) Mars Qucnx Moon

Just DO IT is your motto now. You're in the mood for action and may be especially disgruntled by others' indecisiveness, passivity, or laziness. Beware of emotional outbursts and aggressive maneuvering in traffic or at home, because what you perceive to be slowness on the part of others may just be your own impatience. However, ongoing or chronic tensions that you try to ignore most of the time are likely to erupt now. This isn't the best time to visit the in-laws, or to work out problems with people you're close to. Find positive ways to let off steam. A vigorous tennis match, perhaps?

Nov 24, 2008 12 AM (Nov 24, 2008 to Nov 25, 2008) Sun Sxtil MC

The force is with you, go for your personal best! Father figures or those in a position to help you further your aims are encouraging and receptive to what you propose. Back up your words with action, follow through with a solid effort, and expect success. This is an ideal time to express what you really want, to show some style, and let the world know who you are.

Nov 24, 2008 12 PM (Nov 24, 2008 to Nov 25, 2008) Merc Sxtil MC

Clarity, objectivity, and a smooth flow of communication makes this an excellent time to reach a decision and/or tell others of a decision you've come to. Ideas come flooding in now, too, and you're able to assimilate all kinds of new information. All learning, teaching, or intellectual activities are favored.

Nov 26, 2008 11 AM (Nov 26, 2008 to Nov 27, 2008) Merc Sqr Plu

Your conversations and interactions take on an intensity you normally wouldn't expect from casual encounters. You or another person may reveal something very personal and private, or bring up deep topics that are rarely discussed. Very strong views, bordering on the fanatical, or thoughts expressed with a lot of emotion may stir up resistance. You can be keenly insightful now, but beware of forcing any kind of agenda onto those around you.

Nov 26, 2008 2 PM (Nov 26, 2008 to Nov 27, 2008) Merc Qucnx Moon

Gaining objectivity about your past through talking or writing about it, needing to talk on an intimate feeling level, or reconnecting to someone you have a long history with is featured. Personal topics interest you much more than factual or philosophical discussion. If you tend to gossip or spend a lot of time analyzing your own and other people's feelings and motives, you are especially likely to do so now. Phone home!

Nov 26, 2008 (Aug 22, 2008 to Jan 7, 2009) Nep Oppos Ura

During this period, sudden revelations, extraordinary psychic experiences, or direct perceptions of alternative realities may profoundly alter your world view. This can be

a time not only of inner awakening but also of confusion and disorientation as you try to integrate and assimilate your new perceptions. You may hear an inner call to a spiritual vocation, one that opens you to worlds you never imagined.

Discernment is absolutely essential now, as you can easily be overwhelmed by the strangeness of what is happening, and you're inclined to misinterpret your experiences or lose perspective on them.

Radically idealistic philosophies, utopian visions, esoteric studies, or magical practices may appeal to you like never before. Again, avoid extremes, and balance these activities with ordinary life and common sense. You are inclined to go overboard with these things now, so try to maintain your center.

Positive Potentials:

Awakenings, visions, heightened inspiration.

Negative Potentials:

Escapism, fantasy, disassociation from ordinary consciousness. Confusion, disorientation, uncertain about what is real. Psychic intrusions.

Remedies and Suggestions:

"Keep an open mind, but don't let your brains fall out." Extremism regarding metaphysics, religious philosophies, or revolutionary idealism should be avoided, as you are simply not in a position to clearly assess such matters now. Maintain an attitude of wonder, awe, and appreciation for the magical, without forming any definite conclusions or taking out any second mortgages to buy real estate in paradise.

Intoxicants and mind-altering substances should probably be restricted, as their effects may be much more than you can easily integrate now.

Nov 27, 2008 1 AM (Nov 26, 2008 to Nov 28, 2008) Sun Sqr Plu

An encounter or incident (whether you are a witness or a participant) may force you to look at something you would normally avoid, and you may have unusually strong feelings about it. Buried emotions and old scars may come up. If so, it's an

opportunity for you to gain awareness and to relinquish old grudges, and to make peace with yourself. Something that has been hidden or in the dark comes up now.

Nov 27, 2008 6 AM (Nov 26, 2008 to Nov 28, 2008) Sun Qucnx Moon

Any tension between your conscious actions and your emotional needs, wishes, or feelings that has been bubbling beneath the surface will show itself now. Strained relationships, irritability or a subtle resistance and lack of enthusiasm are possible ways you might notice this. If you find yourself acting like a whiny or willful child, pay attention to what you are needing. Self-comfort and care, a little extra rest, or acknowledging feelings can re-energize you.

Nov 28, 2008 (Nov 22, 2008 to Dec 2, 2008) Jup Qucnx Ura

It would be easy for you to jump the gun right now. You experience erratic bursts of exuberance or the urge to make progressive changes that are not really in sync with the people around you. You may be introduced to a concept or an expansive opportunity that can play a positive role in your future, and if your enthusiasm inspires you to act now, results will be mixed - some quite successful, others a flop.

You also are in an expansive phase in any group, organization, or collective of which you are apart. Unexpected growth leads to challenges.

Positive Potentials:

Openness to new ideas, visions, philosophies, and techniques.

Negative Potentials:

Overly optimistic assessment of new techniques or opportunities. Exuberant foolishness can lead to a fall.

Remedies and Suggestions:

Allow futuristic plans to develop and ripen, drawing inspiration from them now without jumping right in.

Nov 29, 2008 (Nov 28, 2008 to Dec 31, 2008) Ven 2nd H.

You appreciate fine things and are attracted to beautiful objects and artistry, as well as anything that enhances your pleasure, comfort, and enjoyment. Making purchases and investments in luxury items, beautiful property, or other things of lasting value and appeal is favored now. However you are more inclined to let personal tastes and your love for something or someone dictate your choices rather than objective considerations, and thus you may pay more for these things than you might at other times. You are not only interested in acquiring but also in sharing and sweetly giving. You value love and friendship a great deal now, and you want to show it.

Nov 29, 2008 11 AM (Nov 28, 2008 to Nov 30, 2008) Merc Oppos Mars

You may be challenged to defend your ideas, plans, or methods at this time. Thinking on your feet and rapid responses will be necessary, and a few hot words may be exchanged. Certainly you can elect to keep a cool head and avoid unnecessary verbal confrontation, but it will take some effort now. Wear soothing, cool colors like blue or lavender, and avoid red!

Nov 29, 2008 2 PM (Nov 28, 2008 to Nov 30, 2008) Merc Sqr Ven

Your interactions and conversations are on the light side now, with an emphasis on affection, humor, understanding, and pleasantries. This is not the best time to enter into any important negotiations, however, because although the tone will be friendly, you are inclined to be a bit too conciliatory or be swayed by charm. It is a much better time to go shopping!

Nov 30, 2008 4 AM (Nov 30, 2008 to Dec 1, 2008) Mars Oppos Mars

Your energies run hot and you could risk driving yourself too hard and burning yourself and others with too much passion or anger. Minor annoyances may feel like major aggravations; unexpressed frustration or hostility may erupt into the open; pushing, hurrying, or forcing things can lead to trouble. Slow down and cool down on every level: take the pedal off the metal, consciously slow your movements, drink or immerse yourself in cool water, avoid people and situations you know have the potential to rouse your ire. Observe how touchy and aggressive your ego tends to

be right now, as if every thing that doesn't go your way is a personal affront, and have a good laugh at yourself !

Nov 30, 2008 12 PM (Nov 30, 2008 to Dec 1, 2008) Mars Sqr Ven

Powerful desires and amorous feelings are stimulated now perhaps through an enticing interaction or personal encounter. You take the lead in social situations or attract personal attention. Coming on too strong, not picking up on subtle cues, or being inappropriate in a social sense are pitfalls of this time. Strive for a balance between taking the initiative and being sensitive and aware of others' needs and wants. If you are usually shy and unassertive, this is your moment to come out and take a risk even if you're a bit awkward.

Nov 30, 2008 12 PM (Nov 30, 2008 to Dec 1, 2008) Ven Qucnx Ura

Some tension between being independent and being close or intimately involved could arise now. A need for some personal space or an urge to temporarily disengage and go off on your own may be part of this, or a friend or partner may express those needs. A last-minute change of plans, or some other unexpected event, challenges your ability to stay connected; a sudden break or a quick beginning to a new friendship or romance is equally likely.

Nov 30, 2008 1 PM (Nov 30, 2008 to Dec 1, 2008) Merc Trine Merc

Today, expect a free flow of ideas, stimulating conversations, and making the right connections at the right time. All intellectual activities are favored now, including writing, speaking, making presentations, getting your ideas across, reading, learning, and conducting business. You enjoy being a messenger, a conduit for information in some manner or form. Casual contacts go well.

Dec 1, 2008 4 PM (Nov 30, 2008 to Dec 2, 2008) Sun Oppos Mars

A battle of wills or simply the stress of an overly pushy, ambitious, hurried approach can make this an unpleasant time, even if you "win" or achieve what you wanted to. Strong ego drives are activated now, and it would be best to moderate yourself if you don't want to arouse antagonism. Aim for your personal best rather

than competing with others. Vigorous sports can be a good expression for strong energies that need to come out, but beware of over-exerting yourself.

Dec 1, 2008 10 PM (Nov 30, 2008 to Dec 2, 2008) Sun Sqr Ven

There may be some stress or lack of flow between you and a loved one or friend. Perhaps one of you is feeling slighted, neglected, or under-appreciated. It would be wise - and probably would require very little on your part - to reach out and make a loving offer at this time. Little snags or bruised feelings should be attended to, so don't allow pride to stand in the way.

Dec 2, 2008 1 PM (Dec 2, 2008 to Dec 3, 2008) Mars Trine Merc

You say what you mean in a very clear, direct, and compelling way, which short circuits any problems that could arise from ambiguity or indecisiveness. It's an excellent time to do an oral presentation, take an exam, tell your side of the story and convince others of your opinion. Be sure to listen as well. You enjoy intellectual activities and stimulation, conversation, and problem solving.

Dec 3, 2008 8 AM (Dec 2, 2008 to Dec 4, 2008) Ven Qucnx Sun

Your own values or way of expressing love and affection may differ from someone you encounter now, but because you are willing to please and smooth over differences, all is apt to turn out well. Your physical and mental energies are quickened now and you prefer to be mobile and making contact with the world rather than anchored to one location or task. You're ready to share your thoughts on a variety of subjects, and you do this well at this time. Doing small things like this keeps you awake and interested.

Dec 8, 2008 3 AM (Dec 8, 2008 to Dec 9, 2008) Merc Conj Jup

Your thinking and your conversations turn to large topics, future trends, and inspirational themes. You are considering what is important to you in the long run. You can see the patterns and themes which weave together many pieces into a coherent whole. As a result, you have a more humorous and tolerant outlook. Practically speaking, this is a good time to write for a large audience, to get something out to be published, to make business contacts, or to speak in public.

The pace of life is quickened and everyday business flows smoothly, especially casual interactions.

Dec 9, 2008 4 AM (Dec 7, 2008 to Dec 10, 2008) Mars Conj Asc

You may have just emerged from a month or so of working behind the scenes, incubating a new project, recovering your strength, or feeling less outwardly focused. Now you're ready to forge ahead and take action. You know what you want and you go after it energetically and directly, projecting an image of strength. Your warrior spirit is aroused. You don't want others getting in the way of your agenda, so you can be a bit brusque or impatient. If you're hot-tempered to begin with, you could instigate an altercation. Independent rather than cooperative endeavors are favored.

Dec 9, 2008 (Dec 7, 2008 to Jan 22, 2009) Mars 1st H.

Self-assertiveness, decisive action, and positive determination enable you to move ahead and accomplish what you need to. Initiating new projects is favored. However if you become impatient and push your agenda too aggressively, you may provoke contention. Working by yourself and on your own terms succeeds much better than having to accommodate others.

Dec 9, 2008 6 PM (Dec 8, 2008 to Dec 10, 2008) Ven Trine MC

Your ability to harmonize, to create bridges between two polarized "camps", or simply to get along with people, assists you professionally. You're more sensitive to the personal element of your work; appreciating and being appreciated for what you contribute is highlighted. You may be tempted to play matchmaker also!

Dec 12, 2008 9 AM (Dec 12, 2008 to Dec 13, 2008) Ven Qucnx Plu

Your interactions may bring up surprisingly intense feelings, pleasant or not. Irrational attractions and desires, jealousies, or resentments may surface. You may run into an ex (friend, in-law, lover) or someone or something that reminds you of an old love or pain: a chance to put it to rest. You can also pour your heart into a creative project you're in the midst of, using your intensified emotions to create something new.

Dec 12, 2008 2 PM (Dec 12, 2008 to Dec 13, 2008) Ven Qucnx Moon

You need pampering and tender loving care right now, not because you aren't well but because you simply crave it. Indulging yourself with treats, sweets, shopping, or whatever gives you comfort may be hard to resist. This is a good time to schedule a massage, hairstyling appointment, or a play date with your kids or a very good friend. However, try to avoid being too needy or demanding with them.

Dec 12, 2008 11 PM (Dec 12, 2008 to Dec 13, 2008) Sun Trine Ura

Dec 13, 2008 3 PM (Dec 13, 2008 to Dec 14, 2008) Merc Sqr MC

Intelligently organizing, planning, or taking care of correspondence would be wise now. The more uncluttered and systematic you are, the more good ideas, decisions, and directions can emerge. Speaking with a parent or elder and getting their perspective, or working something through with them, is also useful now.

Dec 14, 2008 (Dec 9, 2008 to Dec 18, 2008) Jup Qucnx Sun

This is a period of expansion and potential growth, but it is not without its discomforts, disappointment, or frustrations.

Positive Potentials:

You have to stretch beyond your known limits and comfort zone in order to reach your goals or to ensure the future success of your enterprises.

Negative Potentials:

Being asked to take on more than you may feel ready for (such as a promotion you don't really want or having to travel to take your work to a larger audience). Your individual desires and aims may be at odds with the longer forces at work in your life. Feeling out of sync with those longer agencies. Dissatisfaction with the government, the church, the legal system, in educational matters, with large business or bureaucracies, or with your superiors.

A promising opportunity that fizzles and fails to meet expectations. Travels that are problematic, bumpy, "a mixed bag". Impatience with limitations and difficulty staying on course with a diet, budget, savings plan, etc. Seeing how, where, and what you want to improve but not having the resources or go-ahead to do it.

Remedies and Suggestions:

Lower your expectations and be content with small steps and gradual improvements: focus on the positive aspects. Keep your faith alive and hold on to your vision of a positive outcome even if you are stymied in the immediate (or feel that justice isn't being done.) Accept whatever occurs now as part of your ongoing education. File away the insights and ideas you have now and plan to implement them when the timing is better.

Avoid overcompensating for frustrations by spending money you don't have, overeating, drinking too much, or trying to falsely impress others. Be consistent in matters of health and self-care. Be thorough in examining all legal documents, financial opportunities, and so on, taking care not to compromise or waive certain important rights.

Dec 15, 2008 2 AM (Dec 14, 2008 to Dec 16, 2008) Sun Conj Jup

Dec 15, 2008 3 PM (Dec 14, 2008 to Dec 16, 2008) Merc Trine Plu

You are interested in complexity, depth, the mysterious, the hidden, or the primitive, whether you are looking for the secrets of lost civilizations or probing a thorny psychological problem. What you read, watch, think about or discuss is apt to contain these elements. You can also be quite a convincing speaker but beware of overstating your case. Your words are potent now.

Dec 15, 2008 6 PM (Dec 14, 2008 to Dec 17, 2008) Mars Trine Ura

Dec 20, 2008 2 AM (Dec 20, 2008 to Dec 21, 2008) Merc Conj Sat

You have little tolerance for distractions or wasting time right now. You may seem rather humorless, not communicative, or even downright unfriendly. You are thinking about practical concerns and necessities, essentials, and the bottom line, or wrangling with problems that you don't want to discuss openly. An interaction or conversation you have today may shed light on a problem you are facing and show you some weakness that needs to be addressed. In any case, this is not a moment for fun and sport, but for focused attention and for cool, detached objectivity.

Making or hearing comments that provoke controversy, feeling unusually impatient with others' slowness, impulsive movements or a sudden change of direction can challenge you today. Beware of acting out of nervous haste or tactlessly blurting something out that you can't take back. Instead, consciously slow yourself down, breathe deep into your middle, and relax the tension in your head or jaws - then proceed.

Dec 26, 2008 2 PM (Dec 26, 2008 to Dec 27, 2008) Ven Oppos Ura

You may not be moving ahead as you'd like, or you may find that you're struggling to get things done. Hurrying, irritability with family or people at work, and a disagreeable attitude can make this a tense time. Don't try to do more than you have to, or make deadlines for yourself that you then push yourself and others to meet. Chill out a little!

Dec 31, 2008 4 AM (Dec 30, 2008 to Jan 1, 2009) Sun Qucnx Mars

A battle of wills or simply the stress of an overly pushy, ambitious, hurried approach can make this an unpleasant time, even if you "win" or achieve what you

Pleasantness and a personal touch ease all situations you find yourself in. You're in a lighthearted mood and prefer being around people you enjoy and can relax with, and unless your work pleases you, you probably won't want to do it. The sweet and frivolous side of life, or doing something just for pleasure, is emphasized now.

Dec 31, 2008 (Dec 30, 2008 to Feb 5, 2009) Ven 3rd H.

Courteous and friendly relations with neighbors and others in your immediate environment typify this time cycle. It's a time of peacemaking and forming bridges of good will and cooperation with people you meet on a daily or casual basis. Sending notes of appreciation and similar loving gestures lighten the atmosphere. Take time to do little favors, exchange pleasantries, notice the flowers in your neighbor's garden, and comment on the positive things you see around you. Focus on humor and lighthearted conversation.

Jan 1, 2009 9 PM (Jan 1, 2009 to Jan 2, 2009) Sun Qucnx Merc

You are apt to be busy, moving around a lot, and interacting with people on the go. You have quite a bit of mental energy and may be restless if you have to be stationary for too long. Your passion, zeal, and inner courage are intensified now, making you enormously effective. You are super-motivated and can tackle tough challenges with confidence. You may take something old and completely re-do, re-make, revise, or renew it. Your creative power is flowing!

Jan 3, 2009 2 PM (Jan 3, 2009 to Jan 4, 2009) Mars Oppos Moon

Just DO IT is your motto now. You're in the mood for action and may be especially disgruntled by others' indecisiveness, passivity, or laziness. Beware of emotional outbursts and aggressive maneuvering in traffic or at home, because what you perceive to be slowness on the part of others may just be your own impatience. However, ongoing or chronic tensions that you try to ignore most of the time are likely to erupt now. This isn't the best time to visit the in-laws, or to work out problems with people you're close to. Find positive ways to let off steam. A vigorous tennis match, perhaps?

Jan 4, 2009 6 PM (Jan 3, 2009 to Jan 6, 2009) Mars Sxtil Nep

You want to DO something you usually only fantasize about or normally consider lovely but unrealistic. You need to take concrete steps - even if only small ones - in the direction of a dream. Opportunities to come together for a celebration, while not entirely trouble free, will be beneficial overall.

Jan 6, 2009 7 AM (Jan 5, 2009 to Jan 7, 2009) Merc Qucnx Plu

Your conversations and interactions take on an intensity you normally wouldn't expect from casual encounters. You or another person may reveal something very personal and private, or bring up deep topics that are rarely discussed. Very strong views, bordering on the fanatical, or thoughts expressed with a lot of emotion may stir up resistance. You can be keenly insightful now, but beware of forcing any kind of agenda onto those around you.

Jan 6, 2009 2 PM (Jan 5, 2009 to Jan 8, 2009) Merc Qucnx Moon

Minor misunderstandings, communication foul-ups, or not seeing the obvious can cause a bit of confusion. Check and recheck your figures, or put off important legal or mundane matters for another day. It's a much better time to let the muse inspire you with interesting ideas than to carry on business.

Jan 8, 2009 8 AM (Jan 7, 2009 to Jan 9, 2009) Ven Oppos Plu

Your interactions may bring up surprisingly intense feelings, pleasant or not. Irrational attractions and desires, jealousies, or resentments may surface. You may

run into an ex (friend, in-law, lover) or someone or something that reminds you of an old love or pain: a chance to put it to rest. You can also pour your heart into a creative project you're in the midst of, using your intensified emotions to create something new.

Jan 8, 2009 1 PM (Jan 7, 2009 to Jan 9, 2009) Ven Trine Moon

You're in a sweet mood and are a soft touch, especially for people you care for. Your family, children, home, or long time friends give you the most pleasure now, and you'll want to be with them. Sharing food or other forms of nurturing makes you happy. You may not feel like working or pushing yourself too much now. However, bringing flowers or treats into your workplace gives you satisfaction.

Jan 9, 2009 9 AM (Jan 9, 2009 to Jan 10, 2009) Ven Trine Nep

Sympathy for the underdog or a friend in need moves you now. You may be asked to help out someone in confusion or distress, or to show unselfishness to your love partner. Going the extra mile for someone else will make you both happy, and your spiritual support may be more important than the practical assistance you can provide.

Jan 9, 2009 12 PM (Jan 9, 2009 to Jan 10, 2009) Mars Qucnx Mars

Your energies run hot and you could risk driving yourself too hard and burning yourself and others with too much passion or anger. Minor annoyances may feel like major aggravations; unexpressed frustration or hostility may erupt into the open; pushing, hurrying, or forcing things can lead to trouble. Slow down and cool down on every level: take the pedal off the metal, consciously slow your movements, drink or immerse yourself in cool water, avoid people and situations you know have the potential to rouse your ire. Observe how touchy and aggressive your ego tends to be right now, as if every thing that doesn't go your way is a personal affront, and have a good laugh at yourself !

Jan 9, 2009 (Jan 8, 2009 to Feb 15, 2009) Sun 2nd H.

The focus is on finances, getting your money's worth, prioritizing, choosing to spend time and money on those things you prize most. You also want to be paid what you are worth! Poor financial moves may catch up with you now, but at least you can get clear on what you need to do to straighten things out.

Jan 9, 2009 8 PM (Jan 8, 2009 to Jan 11, 2009) Mars Trine Ven

This is a wonderful moment for romance! You're in a loving, amorous mood, and if you have no lover at the moment, make something beautiful, luscious, and appealing in whatever arena you most enjoy. All creative acts are favored now. Dancing or some other vital and sensual self-expression would be especially satisfying.

Jan 11, 2009 10 AM (Jan 11, 2009 to Jan 12, 2009) Sun Qucnx Ura

Minor shake-ups, mishaps, or aberrations from your normal routine require you to be on your toes, or you could feel restless and create a stir yourself. You're less compliant, obedient, and patient with arbitrary rules. If you can, break your usual patterns in small ways, like dressing less formally or showing some eccentricity.

Jan 11, 2009 7 PM (Jan 10, 2009 to Jan 13, 2009) Mars Qucnx Merc

You are mentally sharp and quick at this time but may be abrupt, impatient, and cutting with your words as well. Aggression or hurry can lead to cuts and scrapes, needless arguments, fender benders, or headaches. Consciously slow your movements and breathing down just a bit and give yourself plenty of time to get where you're going, or work off steam by running or taking a brisk walk.

Jan 12, 2009 12 PM (Jan 11, 2009 to Jan 13, 2009) Mars Conj Sat

At this time you are especially sensitive to being thwarted, frustrated, or neglected, and it may seem as if all your efforts are for naught. Internal conflict and friction, especially old anger and resentment, can aggravate stress-related problems. The destructive forces inherent in this moment can be directed toward work in which tearing down, cleaning out, or eliminating whatever is nonfunctional is the focus.

Concentrate on making order or doing hard or disagreeable tasks, and be patient with yourself and the world. Slow, steady, gentle, and persistent effort is the key now.

Jan 12, 2009 8 PM (Jan 11, 2009 to Jan 13, 2009) Ven Sqr Mars

Sexual tension or disagreements with people of the opposite gender arise now. You may want more than the other person is able or willing to give, or one of you may want togetherness and collaboration while the other prefers to be more independent.

Compromises, adjustments, and working with the differences can bring about a satisfying balance, but it can be difficult to acquiesce when desires are so compelling. In any case, encounters with a definite erotic tone are part of the picture. Wear soft shades of pink, rose, or light green to ease dissonant tendencies.

Jan 13, 2009 1 AM (Jan 13, 2009 to Jan 14, 2009) Ven Oppos Ven

Differences in tastes, style, or aesthetic preferences may arise in a close relationship, but you can compromise and satisfy both people with relative ease. In fact your differences may be very stimulating and attractive to you, especially if the connection is a romantic one. Love is definitely in the air! You may also want to enhance or change your wardrobe, furnishings, or surroundings to make them more comfortable and appealing. Probably you'll want to indulge yourself in some way and may avoid getting down to work.

Jan 14, 2009 12 PM (Jan 13, 2009 to Jan 15, 2009) Ven Qucnx Merc

It's time for a love talk! Any disagreements or problems you encounter can be more easily worked through now, and you're able to articulate your feelings and wishes in a way others can hear. You seek closeness through verbal exchange, a meeting of heart and mind. Style is important to you now as well, and this is a fine time to consult a beauty expert, get a haircut, choose clothing or make other aesthetic decisions.

Honoring others' personal style, desires, and objectives which not turning away from your own is a challenge at this time. Significant encounters, while not entirely harmonious, are likely. You can learn from the personal differences and contrasts presented now, and become cleared regarding your own path.

Jan 15, 2009 1 AM (Jan 15, 2009 to Jan 16, 2009) Ven Sxtil Sat

Worries and pressures are eased now, especially if you've been overworking and neglecting your friends. You can lighten up a bit, relax, remember how to smile. You may seek out someone who is a bit older than you or a reliable long time pal to spend some time with. Your money sense is quite sound at the moment so if you're considering a purchase or investment, this is an auspicious day to do that.

Jan 15, 2009 (Jan 11, 2009 to Jan 19, 2009) Jup Trine MC

This is a very positive time for professional advancement or furthering your aspirations and long-range goals. This may come in the form of a "lucky break", a promising job offer, a promotion, some form of public recognition for your work, or something that boosts your confidence and inspires you to reach for something grander than what you've done thus far. It is a period of increase, expansion and growth. Travel and educational pursuits are highly favored now, as is any form of work involving the public or reaching a wider audience. Visualize success!

Positive Potentials:

Increased confidence, optimism, and positive vision for the future. Rising in prominence, status or influence. If you have been struggling or enduring a difficult period, you can now see ways to improve and lighten the situation, and attract generous help.

Negative Potentials:

Overconfidence can lead to expanding too rapidly or into too many arenas at once. Inflated expectations.

Remedies and Suggestions:

Maintain your humility and sense of proportion during this cycle, while taking advantage of the opportunity to improve, expand, grow, and prosper.

Follow through on the ideas and opportunities that open up for you now, by doing your homework, and implementing your inspiration in practical steps to success.

Gratitude, appreciation, and heartfelt recognition of others' contributions will increase the flow of positive energy into your world.

Clarity, objectivity, and a smooth flow of communication makes this an excellent time to reach a decision and/or tell others of a decision you've come to. Ideas come flooding in now, too, and you're able to assimilate all kinds of new information. All learning, teaching, or intellectual activities are favored.

Jan 19, 2009 9 AM (Jan 19, 2009 to Jan 20, 2009) Ven Sqr Asc

A strong need for harmony, affection, approval or belongingness colors your attitude and decisions now. Overall this is apt to bring ease and engender positive feelings in your interactions and personal relationships, but in a situation in which you need to move forcefully on your own behalf it could work against you. Social engagements, pleasure outings, and even shopping are favored.

Jan 22, 2009 12 AM (Jan 21, 2009 to Jan 22, 2009) Sun Trine MC

The force is with you, go for your personal best! Father figures or those in a position to help you further your aims are encouraging and receptive to what you propose. Back up your words with action, follow through with a solid effort, and expect success. This is an ideal time to express what you really want, to show some style, and let the world know who you are.

Jan 22, 2009 (Jan 21, 2009 to Mar 11, 2009) Mars 2nd H.

Working vigorously to achieve financial goals or continue making positive progress on an ongoing project is emphasized. There may be some conflicts with others over your differences regarding money or values. It's best to take care of your own business and make your own decisions on how to spend your resources and achieve prosperity.

Jan 24, 2009 10 AM (Jan 23, 2009 to Jan 25, 2009) Ven Qucnx Ura

Some tension between being independent and being close or intimately involved could arise now. A need for some personal space or an urge to temporarily disengage and go off on your own may be part of this, or a friend or partner may express those needs. A last-minute change of plans, or some other unexpected event, challenges your ability to stay connected; a sudden break or a quick beginning to a new friendship or romance is equally likely.

Jan 24, 2009 12 PM (Jan 23, 2009 to Jan 25, 2009) Mars Qucnx Ura

Mishaps or disruptions due to recklessness, tactlessness, sudden outbursts of anger or impatience, and heated encounters are potential trouble spots at the moment. Slow down in traffic, and take precautions around fire, electronics, and sharp tools. Perhaps you can do something daring and outrageous that isn't dangerous!

Jan 25, 2009 12 AM (Jan 25, 2009 to Jan 26, 2009) Sun Qucnx Plu

An encounter or incident (whether you are a witness or a participant) may force you to look at something you would normally avoid, and you may have unusually strong feelings about it. Buried emotions and old scars may come up. If so, it's an opportunity for you to gain awareness and to relinquish old grudges, and to make peace with yourself. Something that has been hidden or in the dark comes up now.

Jan 25, 2009 5 AM (Jan 25, 2009 to Jan 26, 2009) Sun Qucnx Moon

Any tension between your conscious actions and your emotional needs, wishes, or feelings that has been bubbling beneath the surface will show itself now. Strained relationships, irritability or a subtle resistance and lack of enthusiasm are possible ways you might notice this. If you find yourself acting like a whiny or willful child, pay attention to what you are needing. Self-comfort and care, a little extra rest, or acknowledging feelings can re-energize you.

Jan 25, 2009 6 AM (Jan 25, 2009 to Jan 26, 2009) Merc Qucnx Sun

Opening up lines of communication, actively initiating discussions, and conducting business over the telephone, by email or through the written word is the theme of the day. You are clear and factual, and probably more chatty than usual. You may be inundated with phone calls or be running around a lot as well. It may be hard for you to sit still. A busy day!

Jan 26, 2009 3 AM (Jan 25, 2009 to Jan 27, 2009) Sun Sqr Nep

Your will power, focus, and concentration are diffused somewhat now, and this is not the best day to make critical decisions as you may be viewing people and situations in an overly idealistic light. Hope and fantasies tend to obscure reality. You also may want to put off activities in which discernment and mechanical skill are necessary. This is a fine day for dreaming up ideas, getting inspiration, or playing "let's pretend".

Jan 26, 2009 5 PM (Jan 25, 2009 to Jan 27, 2009) Ven Sqr Jup

You may find it hard to stay on task today or to do any unpleasant, demanding work. Tendencies toward excess extravagance, self-indulgence or laziness are amplified now. On the plus side, you can enjoy yourself quite a lot, especially around people. You're generous, playful, good-humored - even lucky!

Jan 28, 2009 1 AM (Jan 26, 2009 to Jan 29, 2009) Ven Qucnx Sun

Your own values or way of expressing love and affection may differ from someone you encounter now, but because you are willing to please and smooth over differences, all is apt to turn out well. At the very least, you'll learn something about a friend or lover that helps you understand them. In fact, your differences may be appealing. As long as egos don't interfere, love will reign!

Jan 28, 2009 (Jan 24, 2009 to Feb 1, 2009) Jup Qucnx Plu

You may be drawn to powerful, enriching ideas, individuals, or pathways, but find yourself somewhat at odds with them as well. Perhaps you discover the hidden agenda, secret workings, or the underside of a leader, teaching, or group endeavor, so that you must adjust your understanding or your relationship to them. Something must be clarified, resolved, or brought out into the open in an established system of which you are a part - professional, educational, social or religious. Strong ambitions may arise now, with mixed results.

Focusing on becoming broader, more inclusive, and working with what has been oppressed, neglected, or ruined in some way can lead to renewal and well-being.

Positive Potentials:

Working through faith, wisdom, higher principles and values brings healing and resolution. Healing and regeneration on a social as well as personal level.

Negative Potentials:

Fanatical or one-sided approach. Problems with government, leadership, or the law. Premature expansion or vying for a leadership position has mixed results.

Remedies and Suggestions:

Maintain integrity, and be willing to honestly acknowledge the "dark places" or dysfunction of a group, teaching, or social endeavor. Strive for balance and holism, rather than polarization, fanaticism, or a rigid idealism.

Jan 28, 2009 8 PM (Jan 27, 2009 to Jan 30, 2009) Mars Qucnx Sun

You're apt to be impatient and to use more force than is called for when minor differences arise. You may instigate, aggravate, or stir up trouble either without realizing it (by being too loud, overstepping others' boundaries, or making assumptions), or even on purpose. You could use this abundance of energy for accomplishment, if you so choose. Tone down aggressive tendencies by wearing soft shades of blue, lavender, or pink, and avoid red or orange.

Jan 29, 2009 (Jan 25, 2009 to Feb 2, 2009) Jup Qucnx Moon

Belonging or a lack of belonging, being included or excluded, feeling or not feeling a part of a community or larger whole is likely to be at issue now. Even if you are generally satisfied with how you fit in, belong, and join with others, you may feel out of sync with your family, group, or community right now.

A sense of "I want something. I need something. But I don't know what it is," can lead to filling your life with activities, relationships, and things. You may be very busy and "full" outwardly but not very centered inwardly. Or, you may feel there is simply TOO MUCH of everything in your life - material possessions, body weight, or inconsequential but energy-consuming relationships. If so, it's time to recognize and do something to prune these things from your life.

Positive Potentials:

A spirit of discontent can lead you to take stock of where your real satisfaction and sources of nurturance and support lie. Places in your life in which you have become complacent, lazy, or indifferent become clearer to you, and you can choose to do something about that. Finding new ways to connect and a new community.

Negative Potentials:

Trying to fill your dissatisfaction in unconscious, self-defeating ways. For instance, overeating to fill your hunger for emotional closeness or for more interest and excitement in your life.

Remedies and Suggestions:

Don't expect others to rescue you or fulfill your longings. Take initiative to identify what you want or might want to explore, and do so.

Find ways to give back and flow some good into others' lives.

Jan 29, 2009 3 PM (Jan 29, 2009 to Jan 30, 2009) Sun Trine Mars

Courage, confidence, and the will to triumph energize you. You are able to move your objectives forward and to get a lot done now, without stressing or going into overdrive. Your positive conviction seems to move obstacles out of your way. You flow around obstructions rather than confront them, which is apt to be a successful strategy at this time.

Jan 29, 2009 9 PM (Jan 29, 2009 to Jan 30, 2009) Sun Quconx Ven

There may be some stress or lack of flow between you and a loved one or friend. Perhaps one of you is feeling slighted, neglected, or under-appreciated. It would be wise - and probably will require very little on your part - to reach out and make a loving offer at this time. Little snags or bruised feelings should be attended to, so don't allow pride to stand in the way.

Jan 31, 2009 8 AM (Jan 31, 2009 to Feb 1, 2009) Sun Oppos Merc

You are apt to be busy, moving around a lot, and interacting with people on the go. You have quite a bit of mental energy and may be restless if you have to be stationary for too long. Lots of ideas are being batted back and forth. Conflicting views and opinions serve to clarify your own thinking. Seek compromises on inconsequential matters.

Feb 1, 2009 12 PM (Jan 28, 2009 to Feb 4, 2009) merc qucnx ura

Making or hearing comments that provoke controversy, feeling unusually impatient with others' slowness, impulsive movements or a sudden change of direction can challenge you today. Beware of acting out of nervous haste or tactlessly blurting something out that you can't take back. Instead, consciously slow yourself down, breathe deep into your middle, and relax the tension in your head or jaws - then proceed.

Feb 2, 2009 (Jan 29, 2009 to Feb 6, 2009) Jup Sqr Nep

Great dreams and visions for the future, longing for material or spiritual richness, and wishes for release from the limitations and ordinariness of life color this time. You are inspired by optimism and hopefulness, but it may be tinged with more than a touch of escapism and denial of the reality of your current situation. ("So what," you say, "the sky's the limit!")

If you already lean toward self-indulgent behavior or excessive and unrealistic imagination, this will be intensified now. However, if you are usually fairly responsible and well-grounded, your idealism and faith in possibilities will be stimulated. You may be drawn to visit a mystical site, to splurge on some wild dream or fantasy, or to go beyond your usual boundaries in pursuit of an enchanting possibility. Perhaps you'll simply read different kinds of books, something that inspires wonder, imagination, or relief from the heaviness of the concrete world.

Positive Potentials:

Hope, faith and positive expectations. Increased empathy, compassion, and concern for the greater good inspire you to altruistic action. Trust in, and stronger connection to, the larger reality. Religious or spiritual impulses intensify.

Negative Potentials:

Generosity overdone. Grandiose schemes, inflated expectations based mostly on personal fantasies of gain or self-aggrandizement. Ungrounded, immature spirituality. Discontent, needing MORE, BIGGER, BETTER to feel okay.

Remedies and Suggestions:

Allow yourself to dream and hope as big, wide and beautifully as your imagination can take you. Follow your religious or altruistic impulses, and let yourself be inspired by greatness. But don't speculate foolishly or take big financial risks; you're inclined to be overly optimistic in that respect now. Business or legal affairs tend to be clouded with fantasy if not outright deception, so postpone these if at all possible.

Feb 5, 2009 3 AM (Feb 4, 2009 to Feb 6, 2009) Sun Sxtil Asc

The force is with you! Your vital energy is flowing well and your confidence is up, so anything you attempt now is likely to succeed. You influence others through personal direct contact, and without much effort. Work with what inspires you, gives you energy, or matters most to you, and expect great results. Express yourself!

Feb 5, 2009 (Jan 5, 2009 to July 15, 2009) Plu Sqr MC

A fateful turning point in your personal life or career may force you to dig deeper, be more rigorously honest, and face your own shadowy motives or the darkness in the world. Superficial answers or business as usual won't suffice now. The more you attempt to hold on, to willfully control the outcome of the matters at hand, or to maintain a position that has clearly been outgrown, the more stormy this passage is likely to be. It is a time to relinquish and let go, yet you cannot simply walk away from the consequences of your past choices. It's best to deal squarely with what has gone on, to face the hidden pay-offs or subterfuge that may be involved, and to come clean. Painful disappointments and losses may need to be accepted and mourned, which can lead to the birth of something new.

You may revisit you relationship with your father or other important authority figures now, to resolve, repair, or release yourself from an old condition.

Positive Potentials:

An intense challenge which tests or reveals your commitment to your path, vocation, or life direction. Reclaiming personal power and authority. Rising from the ashes; re-emerging from a fateful ending with renewed vitality and purpose.

Negative Potentials:

Using control tactics, underhanded methods, manipulation, or subversive behavior to get what you want. Dealing with others who act in this way. Abuses of power, which lead to your downfall. Relationship woes, health challenges, or other results of long-standing patterns and choices.

Remedies and Suggestions:

Beware of making catastrophes out of the current issues because how you think about and frame what is happening now powerfully affects how you will experience the changes which are trying to happen. Don't try to resist them!

Resentment, blame, or feeling like a victim (even if this is justified) can be pitfalls during this cycle. Allow those feelings if they arise, but try not to adopt them as a permanent position. Rather than demonizing or condemning the other people or the system, use your energy to see how you contribute and/or build a new way for yourself. Self-blame also falls into this category. Allow yourself to feel honest regret if you have erred, then move on to commit yourself to a better way in the present and future.

Feb 5, 2009 (Feb 4, 2009 to Apr 4, 2009) Ven 4th H.

Your home can be a source of great pleasure, comfort, and enjoyment now, and you may undertake a decorating, landscaping, or beautification project to enhance it. Strenuous work is not what you want to be doing here, however, because it's ease and delight that you're looking for. Intimate and happy gatherings with family and close friends are favored and domestic relationships in general are easier and friendlier. This would be an ideal time for a family reunion.

Feb 5, 2009 8 PM (Feb 4, 2009 to Feb 7, 2009) Ven Oppos MC

You enjoy playing the role of hostess or host, displaying your good taste, affection, and appreciation for the finer things. Lightness, humor, and good times shared is the focus for you now. Go to the extra trouble to decorate, embellish, bring out your best china, and show people a good time. Opportunities to come together for a celebration, while not entirely trouble free, will be beneficial overall.

Feb 7, 2009 11 AM (Feb 6, 2009 to Feb 8, 2009) Mars Trine MC

You take a proactive, assertive, and eager attitude toward challenges and your ambitions. You could impress superiors with your vigor, as you are willing to go the extra mile and do whatever it takes. Opportunities to advance your standing or achieve a desire come to you now. Green light!

Feb 8, 2009 (Jan 11, 2009 to Mar 7, 2009) Nep Sxtil Jup

Your interest in the intangible and spiritual dimensions of life increases now, and you may be drawn to studying universal principles and how they directly apply to you. The appearance of signs, omens, guidance, and messages from spirits can significantly increase, too. Fortunately you are not inclined to extremism or fanaticism in all of this because what you are experiencing is more like a subtle pull or slight nudge. You are being invited to expand your awareness and dance with the divine!

Work in spiritual or charitable organizations, and involvement with people who share your philosophical views or spiritual discoveries is favored.

Positive Potentials:

Cooperative ventures with an orientation toward service, helping others, healing the world. Positive experiences with wise teachings or teachers. Expanding your consciousness and building a stronger connection to a higher power. Less stress over material concerns or ambitions.

Negative Potentials:

Irresponsibility regarding material obligations and an over-reliance on luck or the good will of others is possible, but only if you already lean in that direction.

Remedies and Suggestions:

Don't be passive about the insights, expanded awareness, and compassionate impulses that you have now. Commit to one ACTION daily aligned with the truths you are learning. Share your spiritual gifts by teaching or gathering with others.

Feb 10, 2009 5 AM (Feb 10, 2009 to Feb 11, 2009) Ven Sqr Moon

You need pampering and tender loving care right now, not because you aren't well but because you simply crave it. Indulging yourself with treats, sweets, shopping, or

whatever gives you comfort may be hard to resist. This is a good time to schedule a massage, hairstyling appointment, or a play date with your kids or a very good friend. However, try to avoid being too needy or demanding with them.

Feb 11, 2009 10 AM (Feb 10, 2009 to Feb 12, 2009) Mars Qucnx Plu

A hidden or mostly unconscious need to control or gain power is at play within and around you now. If you violate others' rights or territory in pursuit of your own agenda, a battle of wills (subtle or overt) is likely. There is a destructive element operating as well, which can be turned to good ends in that you can work to "destroy" or eliminate something, or completely purge or overhaul something in your life. You tend to drive yourself quite hard, so beware of over-straining or forcing yourself past your limits.

Feb 11, 2009 12 PM (Feb 10, 2009 to Feb 13, 2009) Ven Qucnx Nep

Your romantic imagination is stimulated today. You're apt to be attracted to people or things that are soft, beautiful, dreamy, enchanting, inspiring. Colors, styles, music and atmospheres (scents, candles, aesthetic arrangements) strongly influence your mood, so notice what feels good to your soul and make a little magic.

Feb 11, 2009 5 PM (Feb 10, 2009 to Feb 12, 2009) Mars Qucnx Moon

Just DO IT is your motto now. You're in the mood for action and may be especially disgruntled by others' indecisiveness, passivity, or laziness. Beware of emotional outbursts and aggressive maneuvering in traffic or at home, because what you perceive to be slowness on the part of others may just be your own impatience. However, ongoing or chronic tensions that you try to ignore most of the time are likely to erupt now. This isn't the best time to visit the in-laws, or to work out problems with people you're close to. Find positive ways to let off steam. A vigorous tennis match, perhaps?

Feb 12, 2009 1 AM (Feb 12, 2009 to Feb 13, 2009) Sun Sxtil Jup

Your best self shines forth and you radiate an expectation of success, which can open many doors for you at this time. You are drawn to the people, places, ideas, or

information that can profit you the most, and whatever comes to you now is apt to be of benefit. Extending yourself, widening your comfort zone, reaching out, and acting on your intuition enables you to make the most of this fortuitous moment.

Feb 12, 2009 9 PM (Feb 11, 2009 to Feb 14, 2009) Mars Sqr Nep

You may be a bit unfocused or unsure of how to direct your energy at the moment. Circumstances may be confusing, strange, or in flux. It's fine not to do anything right now. Trying to press forward will yield mixed results. Avoid extremes, quixotic missions, or acting on ill-considered impulses.

Feb 13, 2009 5 AM (Feb 12, 2009 to Feb 14, 2009) Sun Oppos Sun

Honoring others' personal style, desires, and objectives while not turning away from your own is a challenge at this time. Significant encounters, while not entirely harmonious, are likely. You can learn from the personal differences and contrasts presented now, and become clearer regarding your own path.

Feb 15, 2009 (Feb 14, 2009 to Mar 22, 2009) Sun 3rd H.

Light social interaction promotes healthy relations with neighbors, those who are a part of your immediate environment, and people you do business with on a regular basis. Give other people a little extra time and attention, notice their efforts on your behalf, and strengthen your connections. Don't overlook the obvious! Sometimes what you need is right in front of your eyes. Pay attention to what's close at hand.

Feb 16, 2009 1 PM (Feb 16, 2009 to Feb 17, 2009) Merc Trine MC

Clarity, objectivity, and a smooth flow of communication makes this an excellent time to reach a decision and/or tell others of a decision you've come to. Ideas come flooding in now, too, and you're able to assimilate all kinds of new information. All learning, teaching, or intellectual activities are favored.

Feb 17, 2009 6 AM (Feb 15, 2009 to Feb 19, 2009) Ven Sxtil Mars

Passionate love and powerful creative drives are stimulated now. If you work in any of the arts, this can be an enormously productive time when your energy and sense of beauty and style really come together. Happy collaborative efforts of all kinds are featured. Camaraderie, friendship, and affection, even with people you normally don't socialize with, can be expected. In a romantic relationship, this can be a very special time. If you wish it, make it so!

Feb 17, 2009 11 AM (Feb 16, 2009 to Feb 18, 2009) Mars Trine Mars

You are highly motivated, energized, and eager to do and to accomplish now, especially if you can determine your own pace and course. Your efforts tend to succeed because you act with an extra measure of confidence, certainty, and verve. This is an ideal time to take on daunting challenges that you might back away from on other days. Satisfying work and friendly competition is featured.

Feb 17, 2009 4 PM (Feb 15, 2009 to Feb 19, 2009) Ven Qucnx Ven

Differences in tastes, style, or aesthetic preferences may arise in a close relationship, but you can compromise and satisfy both people with relative ease. In fact your differences may be very stimulating and attractive to you, especially if the connection is a romantic one. Love is definitely in the air! You may also want to enhance or change your wardrobe, furnishings, or surroundings to make them more comfortable and appealing. Probably you'll want to indulge yourself in some way and may avoid getting down to work.

Feb 17, 2009 (Feb 13, 2009 to Feb 22, 2009) Jup Trine Mars

During this positive cycle, you marry your vision, hope, and inspiration to your action, and you can initiate or create something wonderful. Your confidence and willingness to take risks in order to improve your life are heightened. This is an excellent time to begin a new enterprise, and the birthing process goes smoothly and easily. You are also likely to compete quite successfully in any arena where you decide to put your efforts.

If you are involved in any sort of legal dispute, now is the time to try to resolve it. If you can manage to do so, the outcome is likely to please you. You may fare much better than you expect.

Positive Potentials:

Fortunate and effective action. New enterprise flourish. Positive self-assertiveness and initiative. A sense of fair play and principles infuses competitive activities, gaining you respect and popularity. Health and energy level are at a peak.

Negative Potentials:

There is very little down side to this particular cycle.

Remedies and Suggestions:

Now's the time to do what you've been dreaming of. Say Yes!

Feb 17, 2009 7 PM (Feb 16, 2009 to Feb 19, 2009) Mars Qucnx Ven

Powerful desires and amorous feelings are stimulated now perhaps through an enticing interaction or personal encounter. You take the lead in social situations or attract personal attention. Coming on too strong, not picking up on subtle cues, or being inappropriate in a social sense are pitfalls of this time. Strive for a balance between taking the initiative and being sensitive and aware of others' needs and wants. If you are usually shy and unassertive, this is your moment to come out and take a risk even if you're a bit awkward.

Feb 18, 2009 (Feb 14, 2009 to Feb 23, 2009) Jup Qucnx Ven

At this time there is a tendency to overindulge in some way. Though subtle, this can be detrimental nevertheless. Some of the more concrete ways this could manifest include overeating (with resultant weight gain and sluggishness), overspending, or spending on "treats" that provide some immediate gratification or cosmetic appeal but have little lasting value. Other temptations involve being too loose and tolerant with others, perhaps overlooking their transgressions in order to get along or because it's too much work to deal with the problem directly. (This will probably only be an issue if you tend to be a bit too soft and indulgent to begin with.)

Making excuses (for yourself or others) because you just don't want to do the work is the main pitfall of this cycle. If you "play hooky" now, as you may well be tempted to, you may seem to get away with it. But it's apt to catch up with you later.

Positive Potentials:

A relaxing period if you tend to be too driven, rigid, and disinclined to let your hair down.

Negative Potentials:

Being sloppy and careless with resources, including your health.

Remedies and Suggestions:

Find some relaxing and healthful pleasures, without "spoiling" yourself. If you have a play now/play later attitude, most likely you will pay later and a lot more than you might wish. Consider the long-range effects of your choices, and don't make purchases on credit you are likely to regret.

Feb 19, 2009 4 AM (Feb 18, 2009 to Feb 20, 2009) Merc Qucnx Plu

Your conversations and interactions take on an intensity you normally wouldn't expect from casual encounters. You or another person may reveal something very personal and private, or bring up deep topics that are rarely discussed. Very strong views, bordering on the fanatical, or thoughts expressed with a lot of emotion may stir up resistance. You can be keenly insightful now, but beware of forcing any kind of agenda onto those around you.

Feb 19, 2009 8 AM (Feb 18, 2009 to Feb 20, 2009) Merc Qucnx Moon

Gaining objectivity about your past through talking or writing about it, needing to talk on an intimate feeling level, or reconnecting to someone you have a long history with is featured. Personal topics interest you much more than factual or philosophical discussion. If you tend to gossip or spend a lot of time analyzing your own and other people's feelings and motives, you are especially likely to do so now. Phone home!

Feb 19, 2009 4 PM (Feb 18, 2009 to Feb 20, 2009) Mars Oppos Merc

You are mentally sharp and quick at this time but may be abrupt, impatient, and cutting with your words as well. Aggression or hurry can lead to cuts and scrapes, needless arguments, fender benders, or headaches. Consciously slow your movements and breathing down just a bit and give yourself plenty of time to get where you're going, or work off steam by running or taking a brisk walk.

Feb 20, 2009 2 AM (Feb 20, 2009 to Feb 21, 2009) Merc Sqr Nep

Minor misunderstandings, communication foul-ups, or not seeing the obvious can cause a bit of confusion. Check and recheck your figures, or put off important legal or mundane matters for another day. It's a much better time to let the muse inspire you with interesting ideas than to carry on business.

Feb 20, 2009 2 PM (Feb 18, 2009 to Feb 22, 2009) Ven Trine Merc

Pleasantries, humor, and a light touch sweeten your interactions today. You have an extra measure of tact and charm when talking on the phone, writing letters, or meeting people and you tend to veer away from controversial or unpleasant topics. Your mind may be pleasantly lazy. Light romantic comedies, "fun" fiction, and a break from serious striving appeal to you. Social or cultural events are favored.

Feb 20, 2009 3 PM (Feb 20, 2009 to Feb 21, 2009) Sun Qucnx MC

Relations with men, people in authority, or father figures are featured today. You may be thinking about past successes or failures and how those influence what you aim for now. There may be some friction between your will and someone else's and a need to humble yourself in order for things to proceed. Seek win-win situations.

Feb 21, 2009 7 PM (Feb 19, 2009 to Feb 24, 2009) Ven Sqr Sat

Feeling deprived, excluded, lonely, or distant from the people who love you may occur now. It could be a cooling off period in a relationship, or a critical moment that tests its strength. Tending your hurt feelings without indulging in self-pity or

one-sided blame is important. You may also meet obstacles or self-doubt in regard to some creative project you're in the midst of. Try to work on the flaws or weak aspects of it without considering the whole endeavor a failure. Take a break!

Feb 22, 2009 9 PM (Feb 22, 2009 to Feb 23, 2009) Merc Trine Mars

You speak clearly, directly, and honestly about what you want now, and your lack of ambiguity is compelling. If you need to convince or persuade another, this is the time to do it. You are sharp in negotiations, and respond quickly and intelligently, but you may unwittingly fail to listen, empathize, or receive the other person's side of things.

Feb 23, 2009 1 AM (Feb 22, 2009 to Feb 24, 2009) Merc Qucnx Ven

Your interactions and conversations are on the light side now, with an emphasis on affection, humor, understanding, and pleasantries. This is not the best time to enter into any important negotiations, however, because although the tone will be friendly, you are inclined to be a bit too conciliatory or be swayed by charm. It is a much better time to go shopping!

Feb 23, 2009 4 PM (Feb 22, 2009 to Feb 24, 2009) Sun Oppos Plu

An encounter or incident (whether you are a witness or a participant) may force you to look at something you would normally avoid, and you may have unusually strong feelings about it. Buried emotions and old scars may come up. If so, it's an opportunity for you to gain awareness and to relinquish old grudges, and to make peace with yourself. Something that has been hidden or in the dark comes up now.

Feb 23, 2009 (Feb 4, 2009 to Mar 13, 2009) Ura Qucnx Ura

This is a period of disequilibrium, minor upsets and reversals, and stop-and-go movement that can leave you feeling a bit disoriented. Much of this has to do with larger events, circumstances beyond your control, or others' crises or changes that you must adapt and adjust to. Examples of this might include significant changes in public policy regarding your profession that requires you to revise your practices, or a shakeup in your community that ripples out to you and those you know personally.

Any personal project that is initiated now will be difficult to stabilize or be beset with unusual challenges from the start. Beware of premature or ill-timed actions, especially those conceived out of a strong feeling of discontent.

Positive Potentials:

Moving gracefully through unforeseen challenges and changes. Ingenuity and creativity born out of immediate needs - "necessity is the mother of invention".

Negative Potentials:

A general underlying sense of instability and insecurity at change points. Restlessness and discontent.

Remedies and Suggestions:

Accept the erratic, sporadic, uncertain quality of this time, and understand that there will be resistance, indifference, or obstacles to many changes you try to implement in the world around you. A certain degree of frustration or surprising turns are inherent in the moment.

Practice relaxation, and keep a sense of humor!

Feb 23, 2009 9 PM (Feb 22, 2009 to Feb 24, 2009) Sun Trine Moon

You enjoy being around both men and women at this time and, in fact, you need to be with others, especially those you know pretty well and trust. Having a sense of familiarity and comfort in your surroundings and interactions boosts your confidence. Everyday relationships are supportive and warm at the moment.

Feb 24, 2009 4 AM (Feb 24, 2009 to Feb 25, 2009) Merc Oppos Merc

Intellectual bantering or a difference of opinion may create some friction now, but you can gain objectivity and another way of seeing something. You may be restless, curious, and in need of intellectual stimulation, or feel a bit overstimulated and nervous. You don't need caffeine! Slow down a little, especially in traffic.

Feb 24, 2009 6 PM (Feb 24, 2009 to Feb 25, 2009) Sun Trine Nep

Light some candles or put on your favorite music to create a mood and atmosphere where magic can happen. Or engage in activities purely for the inner rewards, like bringing a meal to a friend or some other random act of kindness. This is a day to cultivate spiritual well being and dream peace solutions.

Feb 25, 2009 (Feb 20, 2009 to Mar 1, 2009) Jup Oppos Merc

Breadth of vision, seeing larger patterns as well as sensing future trends and possibilities characterize this time period. Business affairs, commercial endeavors, or legal transactions of any kind are favored now.

You are thinking in more expanded, wider terms which gives you a sense of hope and optimism for the future. However, any gambling impulses you possess are activated also and you may overlook the practical side or important details of your intended projects. And you may not even care! Your sense of humor and trust in the overall process is strong.

This is also a very good time for any long distance traveling or educational experiences.

Positive Potentials:

A more open, positive, and expansive point of view. Anything having to do with teaching, learning, communications, speaking, writing, or publishing is favored.

Negative Potentials:

If you tend to exaggerate possibilities or promise more than you can reasonably deliver, this tendency will be more pronounced now.

Remedies and Suggestions:

Avoid sloppy planning or thinking. You may want to have an objective, detail-oriented, knowledgeable person survey any contracts or business opportunities you wish to invest in. Overall, however, your timing in such matters is excellent now.

Feb 25, 2009 10 PM (Feb 24, 2009 to Feb 27, 2009) Mars Sxtil Asc

Your vital energy is flowing strongly and you feel pleasantly ambitious and effective. You can rally others to action because of your own enthusiasm and can-do attitude, but you're equally happy acting independently and on your own behalf. Physical, active work or play is favored.

Feb 27, 2009 5 PM (Feb 26, 2009 to Feb 28, 2009) Merc Sxtil Asc

Communication, learning, or being a messenger or conduit for information is favored now. You express yourself clearly and intelligently, getting your views across with ease. Friendly or casual encounters can lead you to information you can benefit from right now. You may want to visit a book store, or make some phone calls you've been putting off.

Feb 28, 2009 8 AM (Feb 28, 2009 to Mar 1, 2009) Sun Sqr Mars

A battle of wills or simply the stress of an overly pushy, ambitious, hurried approach can make this an unpleasant time, even if you "win" or achieve what you wanted to. Strong ego drives are activated now, and it would be best to moderate yourself if you don't want to arouse antagonism. Aim for your personal best rather than competing with others. Vigorous sports can be a good expression for strong energies that need to come out, but beware of over-exerting yourself.

Feb 28, 2009 2 PM (Feb 28, 2009 to Mar 1, 2009) Sun Oppos Ven

There may be some stress or lack of flow between you and a loved one or friend. Perhaps one of you is feeling slighted, neglected, or under-appreciated. It would be wise - and probably would require very little on your part - to reach out and make a loving offer at this time. Little snags or bruised feelings should be attended to, so don't allow pride to stand in the way.

Mar 2, 2009 1 AM (Mar 2, 2009 to Mar 3, 2009) Sun Qucnx Merc

You are apt to be busy, moving around a lot, and interacting with people on the go. You have quite a bit of mental energy and may be restless if you have to be stationary for too long. Lots of ideas are being batted back and forth. Conflicting views and opinions serve to clarify your own thinking. Seek compromises on inconsequential matters.

Mar 2, 2009 3 PM (Mar 2, 2009 to Mar 3, 2009) Sun Sxtil Sat

You have good stamina, concentration, and a focus on taking care of earthly realities, practical necessities, and chores. Inner satisfaction comes from accomplishing your tasks and meeting responsibilities. You may not be especially gregarious or jovial now unless other astrological factors are strong, but you can definitely have a solid sense of achievement at the end of the day.

Mar 3, 2009 1 AM (Mar 2, 2009 to Mar 4, 2009) Merc Oppos Ura

Making or hearing comments that provoke controversy, feeling unusually impatient with others' slowness, impulsive movements or a sudden change of direction can challenge you today. Beware of acting out of nervous haste or tactlessly blurting something out that you can't take back. Instead, consciously slow yourself down, breathe deep into your middle, and relax the tension in your head or jaws - then proceed.

Mar 4, 2009 3 AM (Mar 4, 2009 to Mar 5, 2009) Mars Oppos Ura

Mishaps or disruptions due to recklessness, tactlessness, sudden outbursts of anger or impatience, and heated encounters are potential trouble spots at the moment. Slow down in traffic, and take precautions around fire, electronics, and sharp tools. Perhaps you can do something daring and outrageous that isn't dangerous!

Mar 4, 2009 11 AM (Mar 4, 2009 to Mar 5, 2009) Merc Sxtil Jup

Your mind is positive and you are thinking in broader terms at the moment. Your intuition and sense of future trends is keen. Commercial ventures and transactions, communicating to a wider audience, teaching or learning, and making sound decisions based on seeing the bigger picture is the focus now. Send and receive inspiring messages.

Mar 5, 2009 5 AM (Mar 4, 2009 to Mar 6, 2009) Merc Oppos Sun

Opening up lines of communication, actively initiating discussions, and conducting business over the telephone, by email, or through the written word is the theme of the day. You are clear and factual, and probably more chatty than usual. You may be inundated with phone calls or be running around a lot as well. It may be hard for you to sit still. A busy day!

Mar 6, 2009 (Mar 5, 2009 to Mar 26, 2009) Merc 3rd H.

You crave communication and mental stimulation during this period, and you're apt to get plenty of it now, including casual conversation, local "news" and/or gossip, and a variety of interesting tidbits, ideas, and information. Sorting through it all, and not getting too sidetracked by random, unrelated data, may challenge you. You're an idea gatherer and a messenger or conduit for information during this cycle. This is an excellent time to write, as well, especially articles or letters.

Mar 6, 2009 9 PM (Mar 5, 2009 to Mar 8, 2009) Mars Sxtil Jup

Enthusiasm, confidence, and verve infuse your efforts now, almost guaranteeing a positive outcome. Your instincts, as well as your sense of direction and timing, are excellent! Risk-taking, engaging and inspiring others to support you, and taking action to realize a big goal are favored.

Mar 6, 2009 10 PM (Mar 6, 2009 to Mar 7, 2009) Sun Sqr Asc

Expect significant encounters, meeting individuals who are or will be important players, at least for the moment. The focus is on relationship, balance, taking each

person's tastes, styles, needs, and personal agendas into account. There may be some friction and adjustments needed. It is your choice whether you want to compromise or go solo, but including the other makes for a fuller picture.

Mar 8, 2009 9 AM (Mar 8, 2009 to Mar 9, 2009) Mars Oppos Sun

You're apt to be impatient and to use more force than is called for when minor differences arise. You may instigate, aggravate, or stir up trouble either without realizing it (by being too loud, overstepping others' boundaries, or making assumptions), or even on purpose. You could use this abundance of energy for accomplishment, if you so choose. Tone down aggressive tendencies by wearing soft shades of blue, lavender, or pink, and avoid red or orange.

Mar 9, 2009 11 PM (Mar 9, 2009 to Mar 10, 2009) Merc Qucnx MC

Intelligently organizing, planning, or taking care of correspondence would be wise now. The more uncluttered and systematic you are, the more good ideas, decisions, and directions can emerge. Speaking with a parent or elder and getting their perspective, or working something through with them, is also useful now.

Mar 11, 2009 (Mar 9, 2009 to Apr 25, 2009) Mars 3rd H.

Your communication style tends to be sharper, more direct and to the point, and it may be hard for you to bite your tongue when you see something that is amiss in your environment, and especially when your territory is violated in any way. You may speak rashly and later regret your punishing words or abruptness. Your relationship with your neighbors could become rather contentious, especially if they are somewhat unfriendly to begin with. Redirect these energies toward challenging mental tasks or work and avoid rushing and pushing your way through traffic, or provoking arguments over trifles.

Mar 11, 2009 6 PM (Mar 10, 2009 to Mar 12, 2009) Sun Qucnx Ura

Minor shake-ups, mishaps, or aberrations from your normal routine require you to be on your toes, or you could feel restless and create a stir yourself. You're less

compliant, obedient, and patient with arbitrary rules. If you can, break your usual patterns in small ways, like dressing less formally or showing some eccentricity.

Mar 11, 2009 8 PM (Mar 11, 2009 to Mar 12, 2009) Merc Oppos Plu

Your conversations and interactions take on an intensity you normally wouldn't expect from casual encounters. You or another person may reveal something very personal and private, or bring up deep topics that are rarely discussed. Very strong views, bordering on the fanatical, or thoughts expressed with a lot of emotion may stir up resistance. You can be keenly insightful now, but beware of forcing any kind of agenda onto those around you.

Mar 11, 2009 11 PM (Mar 11, 2009 to Mar 12, 2009) Merc Trine Moon

Conversations with women, with family, and with people you are especially close to or have a long history with are going well now. By listening as well as sharing your own experiences and feelings, you deepen your rapport and connection. Telling stories, reminiscing, and discussing what is in your soul can be very rewarding. You are likely not only to hear, but to understand. Personal letter writing or journaling would also be fruitful activities.

Mar 12, 2009 (Feb 13, 2009 to Apr 15, 2009) Nep Oppos Sun

During this time period, your idealism, imagination, or longing for mystical experience is activated. Your sensitivity on all levels - physical, emotional, and psychic - increases, and your relationships take on a magical, elusive, dreamy quality.

Positive Potentials:

Spiritual blossoming or gifts unfolding. Daily life is infused with a sense of grace, miracles, enchantment. Seeing "beyond the veil" to the underlying connection, beauty, meaning, oneness.

Negative Potentials:

Addictive, escapist, or delusional tendencies increase. Confusion, doubt, or misunderstanding on the part of others regarding your intentions, goals, or practices.

Misperceiving others, lack of discrimination, or over-idealizing someone or something can lead to misfortune, being taken advantage of, or being bamboozled. Physical health is more delicate, vitality fluctuates. Especially if you are under stress, vague or mysterious symptoms may arise that are difficult to diagnose or treat.

Remedies and Suggestions:

Strive for clarity and a sense of realistic proportion. At this time it can be very helpful to get objective, unbiased opinions from trusted others, or even a professional. (If all your friends disapprove of your new business opportunity or new love, consider that they may well have legitimate reasons.) Avoid dicey financial ventures or get rich quick schemes. These are apt to be disappointing, or even devastating if you invest too much. Look to building up and nourishing your health through balanced nutrition, regular but not excessive physical exercise, and getting enough rest and sleep. It's important not to dissipate or deplete your energies at this time. Spend some time with people who are well-grounded, stable, level-headed and positive. If health concerns do arise, you are apt to respond better to natural and/or "subtle" healing modalities such as homeopathy, acupuncture, or spiritual healing, than to invasive aggressive treatments or drugs. (Use common sense and, above all, don't try to self-diagnose or self-treat. Seek a qualified healer or health care practitioner.)

Mar 12, 2009 12 PM (Mar 12, 2009 to Mar 13, 2009) Merc Trine Nep

Imaginative, artistic, or spiritual topics occupy your mind and conversations today. You may be especially telepathic with the people around you, sensing their thoughts and emotions rather easily. None of this is apt to be terribly distracting and in fact will probably be rather subtle, yet it can add another dimension to your interactions. Listen to your intuition.

Mar 13, 2009 10 PM (Mar 12, 2009 to Mar 14, 2009) Sun Sqr Jup

You tend to overreach, overextend, and promise or expect too much, in an overly optimistic assessment of what you can do right now. You see all the possibilities in a positive light, minimizing the potential obstacles. If you commit to anything now, be certain it's something you're truly willing to follow through on. Mutually beneficial contacts are fostered, especially with people at a distance.

Mar 14, 2009 3 PM (Mar 14, 2009 to Mar 15, 2009) Merc Sqr Mars

You may be challenged to defend your ideas, plans, or methods at this time. Thinking on your feet and rapid responses will be necessary, and a few hot words may be exchanged. Certainly you can elect to keep a cool head and avoid unnecessary verbal confrontation, but it will take some effort now. Wear soothing, cool colors like blue or lavender, and avoid red!

Mar 14, 2009 6 PM (Mar 14, 2009 to Mar 15, 2009) Merc Oppos Ven

Your interactions and conversations are on the light side now, with an emphasis on affection, humor, understanding, and pleasantries. This is not the best time to enter into any important negotiations, however, because although the tone will be friendly, you are inclined to be a bit too conciliatory or be swayed by charm. It is a much better time to go shopping!

Mar 15, 2009 2 AM (Mar 14, 2009 to Mar 16, 2009) Sun Qucnx Sun

Honoring others' personal style, desires, and objectives which not turning away from your own is a challenge at this time. Significant encounters, while not entirely harmonious, are likely. You can learn from the personal differences and contrasts presented now, and become cleared regarding your own path.

Mar 15, 2009 3 PM (Mar 15, 2009 to Mar 16, 2009) Merc Qucnx Merc

Intellectual bantering or a difference of opinion may create some friction now, but you can gain objectivity and another way of seeing something. You may be restless, curious, and in need of intellectual stimulation, or feel a bit overstimulated and nervous. You don't need caffeine! Slow down a little, especially in traffic.

Mar 15, 2009 11 PM (Mar 15, 2009 to Mar 16, 2009) Merc Sxtil Sat

This is a good day for quiet thinking and work that entails intellectual or technical skill, craftsmanship, or careful attention to detail. Wrangling with practical problems and logistics, finding intelligent solutions and completing tasks and projects are

avored. You meet deadlines on time and enjoy taking care of business. A library or quiet room where you can be alone and just do your work appeals to you now. This is also a fine time to take an examination, either written or oral.

Mar 17, 2009 10 PM (Mar 16, 2009 to Mar 19, 2009) Mars Qucnx MC

You may not be moving ahead as you'd like, or you may find that you're struggling to get things done. Hurrying, irritability with family or people at work, and a disagreeable attitude can make this a tense time. Don't try to do more than you have to, or make deadlines for yourself that you then push yourself and others to meet. Chill out a little!

Mar 18, 2009 10 AM (Mar 16, 2009 to Mar 20, 2009) Ven Sqr Sat

Feeling deprived, excluded, lonely, or distant from the people who love you may occur now. It could be a cooling off period in a relationship, or a critical moment that tests its strength. Try to work on the flaws or weak aspects of it without considering the whole endeavor a failure. Take a break!

Mar 18, 2009 10 AM (Mar 18, 2009 to Mar 19, 2009) Merc Sqr Asc

Your curiosity is piqued and you may innocently involve yourself in something that's none of your business. Overhearing conversations or being drawn into gossipy chats purely out of boredom could be a part of this. You need to keep yourself busy, but try not to scatter your energy into too many directions today.

Mar 19, 2009 1 PM (Mar 17, 2009 to Mar 21, 2009) Ven Trine Merc

Pleasantries, humor, and a light touch sweeten your interactions today. You have an extra measure of tact and charm when talking on the phone, writing letters, or meeting people and you tend to veer away from controversial or unpleasant topics. Your mind may be pleasantly lazy. Light romantic comedies, "fun" fiction, and a break from serious striving appeal to you. Social or cultural events are favored.

Mar 19, 2009 (Mar 15, 2009 to Mar 24, 2009) Jup Sxtil Asc

This is a period of positive social relationships and mutually beneficial contacts with friends, neighbors, and other members of your community. Feelings of trust and goodwill are generated, which can lead to stronger alliances, maybe even an opportunity to go into business or get involved with some group endeavor. You go out of your way to help where you can, and if you need assistance or feel stuck in some ongoing dilemma, help may come through a friend or friendly acquaintance. You may expand your social circle to include more people from different backgrounds, generations, races, or cultures, and this will prove quite beneficial all round. Take all generous offers, and extend some!

Positive Potentials:

Linking with people in a positive way, growing through interpersonal connections. A healthy attitude toward the world, attracting good fortune.

Negative Potentials:

None likely.

Remedies and Suggestions:

Get out of habitual routines that keep your world small. Partake of more community events and gatherings. If you show up, magic can happen.

Mar 21, 2009 2 AM (Mar 20, 2009 to Mar 22, 2009) Merc Qucnx Ura

Making or hearing comments that provoke controversy, feeling unusually impatient with others' slowness, impulsive movements or a sudden change of direction can challenge you today. Beware of acting out of nervous haste or tactlessly blurting something out that you can't take back. Instead, consciously slow yourself down, breathe deep into your middle, and relax the tension in your head or jaws - then proceed.

Mar 21, 2009 8 PM (Mar 20, 2009 to Mar 23, 2009) Mars Oppos Plu

A hidden or mostly unconscious need to control or gain power is at play within and around you now. If you violate others' rights or territory in pursuit of your own agenda, a battle of wills (subtle or overt) is likely. There is a destructive element operating as well, which can be turned to good ends in that you can work to "destroy" or eliminate something, or completely purge or overhaul something in your life. You tend to drive yourself quite hard, so beware of over-straining or forcing yourself past your limits.

Mar 22, 2009 2 AM (Mar 22, 2009 to Mar 23, 2009) Mars Trine Moon

You enjoy activities in which your instincts, emotions, and desires can flow freely, like making love, playing in the ocean, playing soccer, or just acting like a kid. You feel energetic and passionate about the people and things you care about, and may be rather aggressively protective as well.

Mar 22, 2009 5 AM (Mar 22, 2009 to Mar 23, 2009) Merc Sqr Jup

Community or world events, long-range trends, or a desire for wider contact with the world occupies your mind right now. You may feel the urge to make travel plans, to attend a cross-cultural event, or simply to move around more. It may be harder for you to sit still for a long period, or engage in tedious or exacting mental work. You could overlook critical details. Break up your day with humorous interludes, a long distance phone call, or by emailing your faraway friends.

Mar 22, 2009 6 AM (Mar 22, 2009 to Mar 23, 2009) Ven Qucnx Ven

Differences in tastes, style, or aesthetic preferences may arise in a close relationship, but you can compromise and satisfy both people with relative ease. In fact your differences may be very stimulating and attractive to you, especially if the connection is a romantic one. Love is definitely in the air! You may also want to enhance or change your wardrobe, furnishings, or surroundings to make them more comfortable and appealing. Probably you'll want to indulge yourself in some way and may avoid getting down to work.

Mar 22, 2009 2 PM (Mar 22, 2009 to Mar 23, 2009) Sun Oppos MC

Relations with men, people in authority, or father figures are featured today. You may be thinking about past successes or failures and how those influence what you aim for now. There may be some friction between your will and someone else's and a need to humble yourself in order for things to proceed. Seek win-win situations.

Mar 22, 2009 (Mar 21, 2009 to Apr 21, 2009) Sun 4th H.

Focus on cultivating and nourishing those inner foundations that support your life: home, family, heritage, a peaceful soul. This is a time to collect yourself, and to fill your own well, however you do this. Time-honored traditions or activities from the past that you used to enjoy hold meaning for you now. You may also want to express yourself and your unique tastes and interests in your home.

Mar 22, 2009 4 PM (Mar 20, 2009 to Mar 24, 2009) Ven Sxtil Mars

Passionate love and powerful creative drives are stimulated now. If you work in any of the arts, this can be an enormously productive time when your energy and sense of beauty and style really come together. Happy collaborative efforts of all kinds are featured. Camaraderie, friendship, and affection, even with people you normally don't socialize with, can be expected. In a romantic relationship, this can be a very special time. If you wish it, make it so!

Mar 22, 2009 9 PM (Mar 22, 2009 to Mar 23, 2009) Merc Qucnx Sun

Opening up lines of communication, actively initiating discussions, and conducting business over the telephone, by email or through the written word is the theme of the day. You are clear and factual, and probably more chatty than usual. You may be inundated with phone calls or be running around a lot as well. It may be hard for you to sit still. A busy day!

Mar 23, 2009 6 AM (Mar 21, 2009 to Mar 24, 2009) Mars Trine Nep

You want to DO something you usually only fantasize about or normally consider lovely but unrealistic. You need to take concrete steps - even if only small ones - in

the direction of a dream. Doing so will give you energy and can stimulate possibilities and opportunities you never imagined before. A magical moment!

Mar 25, 2009 5 PM (Mar 24, 2009 to Mar 26, 2009) Sun Qucnx Plu

An encounter or incident (whether you are a witness or a participant) may force you to look at something you would normally avoid, and you may have unusually strong feelings about it. Buried emotions and old scars may come up. If so, it's an opportunity for you to gain awareness and to relinquish old grudges, and to make peace with yourself. Something that has been hidden or in the dark comes up now.

Mar 25, 2009 10 PM (Mar 24, 2009 to Mar 26, 2009) Sun Sqr Moon

Any tension between your conscious actions and your emotional needs, wishes, or feelings that has been bubbling beneath the surface will show itself now. Strained relationships, irritability, or a subtle resistance and lack of enthusiasm are possible ways you might notice this. If you find yourself acting like a whiny or willful child, pay attention to what you are needing. Self-comfort and care, a little extra rest, or acknowledging feelings can re-energize you.

Mar 26, 2009 6 PM (Mar 26, 2009 to Mar 27, 2009) Merc Oppos MC

Intelligently organizing, planning, or taking care of correspondence would be wise now. The more uncluttered and systematic you are, the more good ideas, decisions, and directions can emerge. Speaking with a parent or elder and getting their perspective, or working something through with them, is also useful now.

Mar 26, 2009 (Mar 25, 2009 to Apr 10, 2009) Merc 4th H.

There's apt to be a lot of activity, discussion, comings and goings, and possibly short-term visitors in your home during this cycle. Conversations are apt to turn to the past, and you can get a more objective view of your family history and how others perceived past events. Open family dialogue is favored now. Writing about your feelings and having deep, soulful discussions clarify your understanding.

Mar 26, 2009 8 PM (Mar 26, 2009 to Mar 27, 2009) Sun Qucnx Nep

Your will power, focus, and concentration are diffused somewhat now, and this is not the best day to make critical decisions as you may be viewing people and situations in an overly idealistic light. Hope and fantasies tend to obscure reality. You also may want to put off activities in which discernment and mechanical skill are necessary. This is a fine day for dreaming up ideas, getting inspiration, or playing "let's pretend".

Mar 27, 2009 8 PM (Mar 26, 2009 to Mar 29, 2009) Mars Sqr Mars

Your energies run hot and you could risk driving yourself too hard and burning yourself and others with too much passion or anger. Minor annoyances may feel like major aggravations; unexpressed frustration or hostility may erupt into the open; pushing, hurrying, or forcing things can lead to trouble. Slow down and cool down on every level: take the pedal off the metal, consciously slow your movements, drink or immerse yourself in cool water, avoid people and situations you know have the potential to rouse your ire. Observe how touchy and aggressive your ego tends to be right now, as if every thing that doesn't go your way is a personal affront, and have a good laugh at yourself !

Mar 28, 2009 3 AM (Mar 28, 2009 to Mar 29, 2009) Mars Oppos Ven

Powerful desires and amorous feelings are stimulated now perhaps through an enticing interaction or personal encounter. You take the lead in social situations or attract personal attention. Coming on too strong, not picking up on subtle cues, or being inappropriate in a social sense are pitfalls of this time. Strive for a balance between taking the initiative and being sensitive and aware of others' needs and wants. If you are usually shy and unassertive, this is your moment to come out and take a risk even if you're a bit awkward.

Mar 28, 2009 7 AM (Mar 28, 2009 to Mar 29, 2009) Merc Qucnx Plu

Your conversations and interactions take on an intensity you normally wouldn't expect from casual encounters. You or another person may reveal something very personal and private, or bring up deep topics that are rarely discussed. Very strong views, bordering on the fanatical, or thoughts expressed with a lot of emotion may

stir up resistance. You can be keenly insightful now, but beware of forcing any kind of agenda onto those around you.

Mar 28, 2009 10 AM (Mar 28, 2009 to Mar 29, 2009) Merc Sqr Moon

Gaining objectivity about your past through talking or writing about it, needing to talk on an intimate feeling level, or reconnecting to someone you have a long history with is featured. Personal topics interest you much more than factual or philosophical discussion. If you tend to gossip or spend a lot of time analyzing your own and other people's feelings and motives, you are especially likely to do so now. Phone home!

Mar 28, 2009 12 PM (Mar 26, 2009 to Mar 30, 2009) Ven Qucnx Nep

Your romantic imagination is stimulated today. You're apt to be attracted to people or things that are soft, beautiful, dreamy, enchanting, inspiring. Colors, styles, music and atmospheres (scents, candles, aesthetic arrangements) strongly influence your mood, so notice what feels good to your soul and make a little magic.

Mar 28, 2009 8 PM (Mar 28, 2009 to Mar 29, 2009) Merc Qucnx Nep

Minor misunderstandings, communication foul-ups, or not seeing the obvious can cause a bit of confusion. Check and recheck your figures, or put off important legal or mundane matters for another day. It's a much better time to let the muse inspire you with interesting ideas than to carry on business.

Mar 29, 2009 (Mar 15, 2009 to Apr 14, 2009) Sat Sqr Asc

Leave-taking, disengagements, and separations are likely at this time, as you have sobering realizations about your priorities, allegiances, and professional or personal loyalties. This is a period of definition and testing in your important relationships. Those particularly vulnerable are the ones in which perhaps you have been leaning upon another or taking them for granted without actually nourishing or giving anything back, and those that you have more or less fallen into but which serve no particular purpose (and which may be taking your vital energies or even weakening you in some way). If you have been neglectful, now is the time to do serious reparation work and to make amends if possible. On the other hand, sometimes it

takes the resolve and willingness to go it alone which will attract more fulfilling and appropriate relationships.

Even if you have made mistakes try to avoid becoming too heavy and harsh with yourself, which is a tendency at this time. You may also be seeing things from a solely pessimistic perspective, and in general feel more hardened or constricted. Slow down, sort things through honestly, but take it easy on yourself.

Positive Potentials:

Taking responsibility, maturing, deepening, and realigning one's priorities if necessary.

Negative Potentials:

Feeling cut off and alone, either by choice or circumstances. A disappointing, discouraging, or difficult time in one's relationships. Feeling frozen, inhibited, or unable to move forward.

Remedies and Suggestions:

Do not try to force issues or to keep something going which needs to end. Have patience and kindness toward yourself if many doors are closing and you feel alone or afraid to contemplate what's next. Let things develop slowly, and expect the wheel to turn. Be friendly to yourself at a deeper level.

Mar 29, 2009 11 PM (Mar 28, 2009 to Mar 31, 2009) Ven Sqr Moon

You need pampering and tender loving care right now, not because you aren't well but because you simply crave it. Indulging yourself with treats, sweets, shopping, or whatever gives you comfort may be hard to resist. This is a good time to schedule a massage, hairstyling appointment, or a play date with your kids or a very good friend. However, try to avoid being too needy or demanding with them.

Mar 30, 2009 1 AM (Mar 30, 2009 to Mar 31, 2009) Mars Qucnx Merc

You are mentally sharp and quick at this time but may be abrupt, impatient, and cutting with your words as well. Aggression or hurry can lead to cuts and scrapes,

needless arguments, fender benders, or headaches. Consciously slow your movements and breathing down just a bit and give yourself plenty of time to get where you're going, or work off steam by running or taking a brisk walk.

Mar 30, 2009 7 AM (Mar 30, 2009 to Mar 31, 2009) Ven Qucnx Plu

Your interactions may bring up surprisingly intense feelings, pleasant or not. Irrational attractions and desires, jealousies, or resentments may surface. You may run into an ex (friend, in-law, lover) or someone or something that reminds you of an old love or pain: a chance to put it to rest. You can also pour your heart into a creative project you're in the midst of, using your intensified emotions to create something new.

Mar 30, 2009 11 AM (Mar 30, 2009 to Mar 31, 2009) Sun Sxtil Mars

Courage, confidence, and the will to triumph energize you. You are able to move your objectives forward and to get a lot done now, without stressing or going into overdrive. Your positive conviction seems to move obstacles out of your way. You flow around obstructions rather than confront them, which is apt to be a successful strategy at this time.

Mar 30, 2009 3 PM (Mar 30, 2009 to Mar 31, 2009) Merc Sxtil Mars

You speak clearly, directly, and honestly about what you want now, and your lack of ambiguity is compelling. If you need to convince or persuade another, this is the time to do it. You are sharp in negotiations, and respond quickly and intelligently, but you may unwittingly fail to listen, empathize, or receive the other person's side of things.

Mar 30, 2009 5 PM (Mar 30, 2009 to Mar 31, 2009) Sun Qucnx Ven

There may be some stress or lack of flow between you and a loved one or friend. Perhaps one of you is feeling slighted, neglected, or under-appreciated. It would be wise - and probably will require very little on your part - to reach out and make a loving offer at this time. Little snags or bruised feelings should be attended to, so don't allow pride to stand in the way.

Mar 30, 2009 6 PM (Mar 30, 2009 to Mar 31, 2009) Merc Qucnx Ven

Your interactions and conversations are on the light side now, with an emphasis on affection, humor, understanding, and pleasantries. This is not the best time to enter into any important negotiations, however, because although the tone will be friendly, you are inclined to be a bit too conciliatory or be swayed by charm. It is a much better time to go shopping!

Mar 30, 2009 6 PM (Mar 29, 2009 to Apr 1, 2009) Mars Sxtil Sat

This is an excellent time to concentrate on the immediate and get some real work done. You can apply yourself to some unexciting or disagreeable but necessary job and stick with it until it's finished - or at least until you've made some visible, tangible progress. In fact, you're apt to enjoy this more than just about anything else at the moment. It feels good to accomplish tasks and have something to show at the end of the day. Practice, refining a technique, or problem-solving is featured.

Mar 31, 2009 12 PM (Mar 30, 2009 to Apr 1, 2009) Merc Trine Merc

Today, expect a free flow of ideas, stimulating conversations, and making the right connections at the right time. All intellectual activities are favored now, including writing, speaking, making presentations, getting your ideas across, reading, learning, and conducting business. You enjoy being a messenger, a conduit for information in some manner or form. Casual contacts go well.

Mar 31, 2009 6 PM (Mar 31, 2009 to Apr 1, 2009) Merc Sqr Sat

You tend to see road blocks and obstacles, or come up against skepticism and doubt from within yourself or from others. Listen to the voice of prudence and caution, and do not attempt to press forward. Instead, pull back and see the flaws that can be worked on. Focus on repairs, strengthening weak areas, cleaning up and refining your presentation. Beware of letting negative voices dampen your spirits, however.

Apr 1, 2009 5 AM (Apr 1, 2009 to Apr 2, 2009) Sun Trine Merc

A free flow of ideas, lively interactions, and a positive environment for learning and communication is featured. This is a good time to meet people for business or commercial purposes, to make connections via speaking or writing, and to use your mind. Clarity of thought and of expression eases your way now. This is an excellent time to take a test or make an important phone call or meeting.

Apr 1, 2009 6 PM (Apr 1, 2009 to Apr 2, 2009) Sun Sqr Sat

You may feel somewhat diminished or discouraged now, perhaps from a rejection or other disheartening event. In any case, no quick or immediate satisfaction is likely now. It's best to slow down, conserve your energy, and simply get to work on what needs to be done. Rather than blame the world for thwarting you, attend to your immediate obligations. Do something to organize and bring order to your environment or practical affairs. You'll feel better if you can make some concrete progress, no matter how small.

Apr 2, 2009 (Mar 15, 2009 to Apr 22, 2009) Ura Sqr Jup

You feel electrified with hope and an expanded sense of possibility. This, combined with a pervasive need for freedom, makes you disinclined to work within your usual framework. An exuberant, almost reckless, faith in chance can lead to rapid changes, and great gains or losses occur at this time. Change happens in a lightning-like way, quickly and unexpectedly, leading to a sense of relief and release.

The forces of liberation are strongly active within and around you now, and an open mind and adventurous spirit will help you ride the currents. A too-narrow and rigid belief system will be rocked at this time.

Positive Potentials:

Serendipitous discoveries and awakenings. Intuitive impulses leading to large scale future plans. A fortunate twist of fate.

Negative Potentials:

Crazy goals based on ungrounded speculation and over-optimism. A profusion of new possibilities lead to rapid overexpansion. The inclination to gamble on a farfetched idea.

Remedies and Suggestions:

Apply common sense to any endeavor you're attracted to now. Be willing to open your mind and change your thinking, especially in regard to religious understanding and/or your future goals.

Be independent of the opinions of others who may want to hold you to your old methods, but do temper your actions with reason.

Apr 2, 2009 8 PM (Apr 2, 2009 to Apr 3, 2009) Merc Trine Asc

Communication, learning, or being a messenger or conduit for information is favored now. You express yourself clearly and intelligently, getting your views across with ease. Friendly or casual encounters can lead you to information you can benefit from right now. You may want to visit a book store, or make some phone calls you've been putting off.

Apr 4, 2009 7 PM (Apr 2, 2009 to Apr 7, 2009) Ven Oppos MC

You enjoy playing the role of hostess or host, displaying your good taste, affection, and appreciation for the finer things. Lightness, humor, and good times shared is the focus for you now. Go to the extra trouble to decorate, embellish, bring out your best china, and show people a good time. Opportunities to come together for a celebration, while not entirely trouble free, will be beneficial overall.

Apr 4, 2009 (Apr 4, 2009 to Apr 30, 2009) Ven 3rd H.

Courteous and friendly relations with neighbors and others in your immediate environment typify this time cycle. It's a time of peacemaking and forming bridges of good will and cooperation with people you meet on a daily or casual basis. Sending notes of appreciation and similar loving gestures lighten the atmosphere. Take time

to do little favors, exchange pleasantries, notice the flowers in your neighbor's garden, and comment on the positive things you see around you. Focus on humor and lighthearted conversation.

Apr 5, 2009 5 AM (Apr 5, 2009 to Apr 6, 2009) Merc Trine Ura

You have a touch of creative genius in your thinking today. Your ability to see things in a new light, to experiment and think outside the box, can deliver up some surprising insights. You may be moved by an out-of-the-blue impulse to call or contact someone, to vary your usual route or to do things in a different order than you normally would. Doing small things like this keeps you awake and interested.

Apr 5, 2009 6 AM (Apr 5, 2009 to Apr 6, 2009) Mars Sqr Asc

This is not the best time to try to do something jointly or cooperatively. Without realizing it or intending to, you may arouse others' anger or antipathy, perhaps by being overly assertive, competitive, or inconsiderate. Minor inconveniences or compromises create more friction and irritation than the situation actually warrants. Try to keep your cool. Working out or getting some physical exercise can help.

Apr 6, 2009 3 AM (Apr 5, 2009 to Apr 7, 2009) Sun Trine Asc

The force is with you! Your vital energy is flowing well and your confidence is up, so anything you attempt now is likely to succeed. You influence others through personal direct contact, and without much effort. Work with what inspires you, gives you energy, or matters most to you, and expect great results. Express yourself!

Apr 6, 2009 6 AM (Apr 5, 2009 to Apr 7, 2009) Merc Trine Jup

Your mind is positive and you are thinking in broader terms at the moment. Your intuition and sense of future trends is keen. Commercial ventures and transactions, communicating to a wider audience, teaching or learning, and making sound decisions based on seeing the bigger picture is the focus now. Send and receive inspiring messages.

Apr 6, 2009 7 PM (Apr 6, 2009 to Apr 7, 2009) Merc Trine Sun

Clear thinking and an easy flow of communication make this a good day to present your ideas in writing or in person to take an exam, to learn something new, to initiate discussions or conduct a meeting. The pace of life is quickened and everyday business flows smoothly, especially casual interactions.

Apr 10, 2009 (Apr 9, 2009 to Apr 25, 2009) Merc 5th H.

Creative ideas and a spontaneous flow of thoughts enlivens you now. Creative writing, singing, composing, the artful use of language, engaging in intellectual diversions or entertainment, reading for pleasure, competitive games that involve skill and strategy, and simply playing with ideas are favored.

Apr 10, 2009 12 PM (Apr 9, 2009 to Apr 11, 2009) Merc Qucnx MC

Intelligently organizing, planning, or taking care of correspondence would be wise now. The more uncluttered and systematic you are, the more good ideas, decisions, and directions can emerge. Speaking with a parent or elder and getting their perspective, or working something through with them, is also useful now.

Apr 11, 2009 2 AM (Apr 11, 2009 to Apr 12, 2009) Sun Trine Ura

Creative license, spontaneity, improvisation, and discovery are stimulated now. This is a good time for any activity that requires you to experiment and think outside the box. Your freedom to express yourself in your own way is quite important to you at the moment.

Apr 11, 2009 12 PM (Apr 11, 2009 to Apr 12, 2009) Mars Qucnx Ura

Mishaps or disruptions due to recklessness, tactlessness, sudden outbursts of anger or impatience, and heated encounters are potential trouble spots at the moment. Slow down in traffic, and take precautions around fire, electronics, and sharp tools. Perhaps you can do something daring and outrageous that isn't dangerous!

Apr 12, 2009 1 AM (Apr 11, 2009 to Apr 13, 2009) Merc Trine Plu

You are interested in complexity, depth, the mysterious, the hidden, or the primitive, whether you are looking for the secrets of lost civilizations or probing a thorny psychological problem. What you read, watch, think about or discuss is apt to contain these elements. You can also be quite a convincing speaker but beware of overstating your case. Your words are potent now.

Apr 12, 2009 4 AM (Apr 11, 2009 to Apr 13, 2009) Merc Sxtil Moon

Conversations with women, with family, and with people you are especially close to or have a long history with are going well now. By listening as well as sharing your own experiences and feelings, you deepen your rapport and connection. Telling stories, reminiscing, and discussing what is in your soul can be very rewarding. You are likely not only to hear, but to understand. Personal letter writing or journaling would also be fruitful activities.

Apr 12, 2009 3 PM (Apr 12, 2009 to Apr 13, 2009) Merc Oppos Nep

Minor misunderstandings, communication foul-ups, or not seeing the obvious can cause a bit of confusion. Check and recheck your figures, or put off important legal or mundane matters for another day. Apr 13, 2009 6 AM (Apr 13, 2009 to Apr 14, 2009) Sun Trine Jup

Your best self shines forth and you radiate an expectation of success, which can open many doors for you at this time. You are drawn to the people, places, ideas, or information that can profit you the most, and whatever comes to you now is apt to be of benefit. Extending yourself, widening your comfort zone, reaching out, and acting on your intuition enables you to make the most of this fortuitous moment.

Apr 14, 2009 6 AM (Apr 12, 2009 to Apr 15, 2009) Mars Sqr Jup

Your challenge now is to synchronize your own will and agenda with the larger energies or grand design. You tend to be tripped up by over-eagerness or expecting too much too soon, but if you can relax, trust, and allow supportive energies to come to you, your desire can be fulfilled or a wish realized. Ask for what you want and do what you need to, then let it happen. No forcing or overdoing needed!

Apr 14, 2009 11 AM (Apr 13, 2009 to Apr 15, 2009) Sun Trine Sun

This is time of flow and ease of expression. You feel energetically supported and your offerings to the world are welcomed. Relationships with men are highlighted and are apt to be mutually beneficial.

Apr 14, 2009 5 PM (Apr 14, 2009 to Apr 15, 2009) Merc Trine Ven

Communicating affection and appreciation come easily to you today. You speak personably and pleasantly now, making even casual interactions sweet. By overlooking superficial differences and focusing on harmonizing and understanding, you build bridges between yourself and others or between two parties who have been at odds. This is also a wonderful time to send flowers, write a love letter, or to discuss matters of aesthetics and personal style. Heavy topics will wait for another day.

Apr 15, 2009 (Apr 9, 2009 to Apr 21, 2009) Jup Oppos Ura

The spirit of freedom, liberation, release, and expansion blows through your life now. Erratic twists and turns, sudden and unexpected opportunities, gifts from out of the blue, and synchronicities that align you with the larger order offer you an opening into a much different future. You may feel your ideals and dreams now have a possibility of being realized, or that whole new worlds you never knew existed are now available. You're also very restless and more impulsive. If you work in a scientific, technical, or social development field, there could be a big breakthrough.

Relationships that have been stifling and restrictive for you or for the other party are changing now as well, enabling both to experience more freedom. You could have an unexpected encounter or serendipitous meeting with someone who will be

important in the times to come. Stay open, curious, loose, willing, and listen to the voice of intuition. Overall, your spontaneous impulses will lead you in the right direction.

Positive Potentials:

Fortunate surprises and unexpected developments. Sudden windfalls and outrageous good fortune. A liberating release from a chronically tense situation or relationship. A new teaching or understanding that radically alters your consciousness.

Negative Potentials:

Tendencies toward irresponsibility, foolish risk taking, or exaggerating the benefits of a new venture are magnified.

Remedies and Suggestions:

Welcome and enjoy the inspiration, optimism, and adventurousness of the moment. Try as many new things as you feel drawn to. However, please temper your excitement with common sense. For instance, you may feel wildly lucky right now, but your luck is erratic. Don't invest or speculate with resources you can't happily part with.

Apr 15, 2009 1 PM (Apr 15, 2009 to Apr 16, 2009) Merc Sqr Merc

Intellectual bantering or a difference of opinion may create some friction now, but you can gain objectivity and another way of seeing something. You may be restless, curious, and in need of intellectual stimulation, or feel a bit overstimulated and nervous. You don't need caffeine! Slow down a little, especially in traffic.

Apr 15, 2009 6 PM (Apr 14, 2009 to Apr 17, 2009) Mars Qucnx Sun

You're apt to be impatient and to use more force than is called for when minor differences arise. You may instigate, aggravate, or stir up trouble either without realizing it (by being too loud, overstepping others' boundaries, or making assumptions), or even on purpose. You could use this abundance of energy for

accomplishment, if you so choose. Tone down aggressive tendencies by wearing soft shades of blue, lavender, or pink, and avoid red or orange.

Apr 15, 2009 8 PM (Apr 15, 2009 to Apr 16, 2009) Merc Trine Sat

This is a good day for quiet thinking and work that entails intellectual or technical skill, craftsmanship, or careful attention to detail. Wrangling with practical problems and logistics, finding intelligent solutions and completing tasks and projects are favored. You meet deadlines on time and enjoy taking care of business. A library or quiet room where you can be alone and just do your work appeals to you now. This is also a fine time to take an examination, either written or oral.

Apr 18, 2009 11 AM (Apr 17, 2009 to Apr 19, 2009) Merc Qucnx Asc

Your curiosity is piqued and you may innocently involve yourself in something that's none of your business. Overhearing conversations or being drawn into gossipy chats purely out of boredom could be a part of this. You need to keep yourself busy, but try not to scatter your energy into too many directions today.

Apr 21, 2009 (Apr 20, 2009 to May 15, 2009) Sun 5th H.

Play, self-expression, and taking risks to bring out your uniqueness is the focus now. Your creative impulses are bright and strong and you need outlets in which to let them shine. Solo efforts are preferable to collaborative ones, unless you are allowed to direct or lead. You take pride in your creations.

Apr 21, 2009 8 PM (Apr 21, 2009 to Apr 22, 2009) Merc Sqr Ura

Making or hearing comments that provoke controversy, feeling unusually impatient with others' slowness, impulsive movements or a sudden change of direction can challenge you today. Beware of acting out of nervous haste or tactlessly blurting something out that you can't take back. Instead, consciously slow yourself down, breathe deep into your middle, and relax the tension in your head or jaws - then proceed.

Apr 22, 2009 3 AM (Apr 21, 2009 to Apr 23, 2009) Sun Qucnx MC

Relations with men, people in authority, or father figures are featured today. You may be thinking about past successes or failures and how those influence what you aim for now. There may be some friction between your will and someone else's and a need to humble yourself in order for things to proceed. Seek win-win situations.

Apr 23, 2009 1 PM (Apr 23, 2009 to Apr 24, 2009) Merc Qucnx Jup

Community or world events, long-range trends, or a desire for wider contact with the world occupies your mind right now. You may feel the urge to make travel plans, to attend a cross-cultural event, or simply to move around more. It may be harder for you to sit still for a long period, or engage in tedious or exacting mental work. You could overlook critical details. Break up your day with humorous interludes, a long distance phone call, or by emailing your faraway friends.

Apr 24, 2009 2 PM (Apr 23, 2009 to Apr 25, 2009) Merc Sqr Sun

Opening up lines of communication, actively initiating discussions, and conducting business over the telephone, by email, or through the written word is the theme of the day. You are clear and factual, and probably more chatty than usual. You may be inundated with phone calls or be running around a lot as well. It may be hard for you to sit still. A busy day!

Apr 25, 2009 (Apr 24, 2009 to May 21, 2009) Merc 6th H.

Your thoughts are focused on work and immediate practical issues, with an eye toward improving efficiency, organizing, managing, and facilitating communication and understanding on the job. The pace of your work environment is quickened, with lots of ideas and new information coming in. You may learn a skill or piece of technical information that assists your work performance.

Apr 25, 2009 6 AM (Apr 25, 2009 to Apr 26, 2009) Sun Trine Plu

Unusual creative power is available to you today. An intensity of focus that borders on the extreme allows you to accomplish a great deal now. You also gain deeper

insights and awareness about something which helps you understand and work with it better. You may want to get rid of something that's outlived its function because it is easier to part with things now than it might be on another day.

Apr 25, 2009 9 AM (Apr 25, 2009 to Apr 26, 2009) Mars Oppos MC

You may not be moving ahead as you'd like, or you may find that you're struggling to get things done. Hurrying, irritability with family or people at work, and a disagreeable attitude can make this a tense time. Don't try to do more than you have to, or make deadlines for yourself that you then push yourself and others to meet. Chill out a little!

Apr 25, 2009 (Apr 24, 2009 to June 2, 2009) Mars 4th H.

Tackling some major project in your home, garden, or yard, or taking action on something in your home that's been neglected or needing repair for some time, is on the agenda now. It's best if you work by yourself or with a family member who is equally eager and committed to the project, however, because otherwise impatience, anger, and hurt feelings may spoil the enterprise. Strive to be kind and respectful towards family members, who may seem to be going out of their way to irritate you!

Apr 25, 2009 11 AM (Apr 25, 2009 to Apr 26, 2009) Sun Sxtil Moon

You enjoy being around both men and women at this time and, in fact, you need to be with others, especially those you know pretty well and trust. Having a sense of familiarity and comfort in your surroundings and interactions boosts your confidence. Everyday relationships are supportive and warm at the moment.

Apr 25, 2009 (Apr 6, 2009 to May 21, 2009) Ura Qucnx Sun

Dislocations and disturbances of your regular rhythms, plans, or orderly functioning can create stress within your mind/body/spirit at this time. You may be feeling strangely dislodged or out of sync within yourself or with those around you. Plans and expectations go awry, or changes happen in an unpredictable and unsettling way. Even if the circumstances of your life are stable, you may be

anticipating changes or future uncertainties, which can unnerve you. If you've been enduring some life denying situation in you daily life, you may feel impulsive, impatient, and make a break for freedom, regardless of the repercussions.

Positive Potentials:

Greater willingness to make positive and necessary changes, despite the insecurity this entails. Take the leap.

Negative Potentials:

Accidents, disrupted bodily rhythms, or being required to adapt to some impersonal, collective change which affects you directly.

Remedies and Suggestions:

SLOW DOWN. Find peaceful activities that calm and soothe your nervous system. Don't overdo strenuous aerobic activity. Be in the present moment more. Consider that "new" or "different" don't always mean better.

Apr 26, 2009 10 AM (Apr 25, 2009 to Apr 27, 2009) Sun Oppos Nep

Your will power, focus, and concentration are diffused somewhat now, and this is not the best day to make critical decisions as you may be viewing people and situations in an overly idealistic light. Hope and fantasies tend to obscure reality. You also may want to put off activities in which discernment and mechanical skill are necessary. This is a fine day for dreaming up ideas, getting inspiration, or playing "let's pretend".

Apr 29, 2009 8 AM (Apr 29, 2009 to Apr 30, 2009) Mars Qucnx Plu

A hidden or mostly unconscious need to control or gain power is at play within and around you now. If you violate others' rights or territory in pursuit of your own agenda, a battle of wills (subtle or overt) is likely. There is a destructive element operating as well, which can be turned to good ends in that you can work to "destroy" or eliminate something, or completely purge or overhaul something in your life. You tend to drive yourself quite hard, so beware of over-straining or forcing yourself past your limits.

Apr 29, 2009 3 PM (Apr 29, 2009 to Apr 30, 2009) Mars Sqr Moon

Just DO IT is your motto now. You're in the mood for action and may be especially disgruntled by others' indecisiveness, passivity, or laziness. Beware of emotional outbursts and aggressive maneuvering in traffic or at home, because what you perceive to be slowness on the part of others may just be your own impatience. However, ongoing or chronic tensions that you try to ignore most of the time are likely to erupt now. This isn't the best time to visit the in-laws, or to work out problems with people you're close to. Find positive ways to let off steam. A vigorous tennis match, perhaps?

Apr 29, 2009 (Apr 22, 2009 to May 7, 2009) Jup Sxtil Jup

Joint endeavors of all kinds are favored now. New friends, business connections, and opportunities to widen your social and professional circles are featured. Good will and positive connections that you shared approximately two years ago may come around again, and projects begun around that time also receive a boost.

You may be unusually busy now, swamped with interesting and desirable offers, both on a business and social level. Almost all of what comes your way can enrich you in some way, but you may not have time or energy for it all. Your judgment and instincts are sound now, so you are able to choose what will serve you best.

If there are areas of struggle or difficulty in your life, other people can aid you immensely during this period if you are willing to make the initial effort to reach out.

Positive Potentials:

Expansive opportunities through positive and helpful contacts.

Negative Potentials:

Very little negativity is a part of this scenario, other than letting it pass without either responding or taking the invitation.

Remedies and Suggestions:

Seize the opportunities that present themselves and follow up and follow through on the information, leads, and invitations which seem most positive. Think in terms of mutuality, reciprocity, inclusiveness, and sharing. If it has been difficult to ask for help, try to overcome that and open up to someone who offers assistance. Be a better friend or mentor to someone you see could use your influence.

Apr 30, 2009 8 AM (Apr 29, 2009 to May 1, 2009) Sun Trine Ven

Pleasantness and a personal touch ease all situations you find yourself in. You're in a lighthearted mood and prefer being around people you enjoy and can relax with, and unless your work pleases you, you probably won't want to do it. The sweet and frivolous side of life, or doing something just for pleasure, is emphasized now.

Apr 30, 2009 7 PM (Apr 29, 2009 to May 2, 2009) Mars Qucnx Nep

You may be a bit unfocused or unsure of how to direct your energy at the moment. Circumstances may be confusing, strange, or in flux. It's fine not to do anything right now. Trying to press forward will yield mixed results. Avoid extremes, quixotic missions, or acting on ill-considered impulses.

Apr 30, 2009 (Apr 28, 2009 to June 7, 2009) Ven 4th H.

Your home can be a source of great pleasure, comfort, and enjoyment now, and you may undertake a decorating, landscaping, or beautification project to enhance it. Strenuous work is not what you want to be doing here, however, because it's ease and delight that you're looking for. Intimate and happy gatherings with family and close friends are favored and domestic relationships in general are easier and friendlier. This would be an ideal time for a family reunion.

Apr 30, 2009 10 PM (Apr 28, 2009 to May 3, 2009) Ven Oppos MC

You enjoy playing the role of hostess or host, displaying your good taste, affection, and appreciation for the finer things. Lightness, humor, and good times shared is the focus for you now. Go to the extra trouble to decorate, embellish, bring out your best

china, and show people a good time. Opportunities to come together for a celebration, while not entirely trouble free, will be beneficial overall.

May 1, 2009 9 PM (May 1, 2009 to May 2, 2009) Sun Sqr Merc

You are apt to be busy, moving around a lot, and interacting with people on the go. You have quite a bit of mental energy and may be restless if you have to be stationary for too long. Lots of ideas are being batted back and forth. Conflicting views and opinions serve to clarify your own thinking. Seek compromises on inconsequential matters.

May 2, 2009 10 AM (May 1, 2009 to May 3, 2009) Sun Trine Sat

You have good stamina, concentration, and a focus on taking care of earthly realities, practical necessities, and chores. Inner satisfaction comes from accomplishing your tasks and meeting responsibilities. You may not be especially gregarious or jovial now unless other astrological factors are strong, but you can definitely have a solid sense of achievement at the end of the day.

May 9, 2009 (May 1, 2009 to May 20, 2009) Jup Oppos Sun

The themes active during this time period are expanding into new areas of experience; widening your sphere of activities and influence, with an expanded sense of what is possible for you to do or achieve; a growth spurt in your creative expression; and a culmination of past actions and aspirations.

Positive Potentials:

Excellent time for professional and social contacts. Mutual help and/or friendship with those at a distance. Beneficial relationship with an authority who may offer to further your interests or champion your cause. Sense of self-confidence expands, leading to greater willingness to reach out for the promotion, further education, or an adventure you may have been wishing for. A good time to travel. Heightened vitality and physical well-being. Wider recognition, public appeal.

Negative Potentials:

Overextending yourself and scattering your life-energies into too many activities. Increased hope and energy can lead you to believe you have no limits and perhaps to

promise more than is reasonable, or to attempt too much. Restlessness may propel you to jump the gun, to buy or sell prematurely without checking all the facts, to leap into saying "yes" too soon.

Remedies and Suggestions:

Before making any financial or personal commitment, check details and don't minimize the actual work involved. Share generously, but wisely. Don't overdo in your gift-giving or personal spending. Help, encourage, and acknowledge as many other people as you can at this time. Spend some time expressing appreciation to those who have helped you in the past.

June 5, 2009 (Jan 5, 2009 to July 15, 2009) Plu Sqr MC

A fateful turning point in your personal life or career may force you to dig deeper, be more rigorously honest, and face your own shadowy motives or the darkness in the world. Superficial answers or business as usual won't suffice now. The more you attempt to hold on, to willfully control the outcome of the matters at hand, or to maintain a position that has clearly been outgrown, the more stormy this passage is likely to be. It is a time to relinquish and let go, yet you cannot simply walk away from the consequences of your past choices. It's best to deal squarely with what has gone on, to face the hidden pay-offs or subterfuge that may be involved, and to come clean. Painful disappointments and losses may need to be accepted and mourned, which can lead to the birth of something new.

You may revisit your relationship with your father or other important authority figures now, to resolve, repair, or release yourself from an old condition.

Positive Potentials:

An intense challenge which tests or reveals your commitment to your path, vocation, or life direction. Reclaiming personal power and authority. Rising from the ashes; re-emerging from a fateful ending with renewed vitality and purpose.

Negative Potentials:

Using control tactics, underhanded methods, manipulation, or subversive behavior to get what you want. Dealing with others who act in this way. Abuses of power, which lead to your downfall. Relationship woes, health challenges, or other results of long-standing patterns and choices.

Remedies and Suggestions:

Beware of making catastrophes out of the current issues because how you think about and frame what is happening now powerfully affects how you will experience the changes which are trying to happen. Don't try to resist them!

Resentment, blame, or feeling like a victim (even if this is justified) can be pitfalls during this cycle. Allow those feelings if they arise, but try not to adopt them as a permanent position. Rather than demonizing or condemning the other people or the system, use your energy to see how you contribute and/or build a new way for yourself. Self-blame also falls into this category. Allow yourself to feel honest regret if you have erred, then move on to commit yourself to a better way in the present and future.
